Principal's Message

As principal of Juan de Anza Elementary School, I am extremely proud of the high quality education program offered to our students. Our staff is committed to providing a very challenging curriculum within a highly nurturing environment. Our school brings together students from many backgrounds and cultures. Our diversity is the foundation of our core belief that every child can learn and be successful at Anza School. Our state-of-the-art school building exemplifies our community's commitment to providing a safe and quality learning experience for all of our students. We are proud to be recognized as a California Distinguished School. Being a student at Juan de Anza means becoming part of a special community where teachers, staff, and parents are dedicated to improving student achievement and nurturing responsible citizens.

There are a variety of reasons why Juan de Anza School is unique and successful. Our staff is committed to providing a very challenging curriculum within a highly nurturing environment. We are all committed to preparing our students to take their place within an ever-changing global society by providing them with a content-engaging curriculum which stresses thinking and developing meaning. Knowing that our students need requisite skills to take their place in the information age, we have designed a curriculum that encourages our students to think creatively, to strengthen their communication skills, to problem solve, and to work together in a variety of collaborative structures, applying and connecting their learning with real-life situations.

At Anza we believe in the whole child. In addition to strong high academic standards-based curriculum, we have various programs that meet the needs of our students. We use a multi tier system of support (MTSS) to help ensure student success. Some of the programs include Project Lead the Way (PLTW), Gifted and Talented Education (GATE). Teachers and students work hard both in and out of the classrooms to ensure future success. We believe our students should be creative thinkers who are able to use available resources and technology to solve any problems which they encounter. Teachers are guiding our students as they use their iPads and/or Chromebooks to enhance their learning. In addition to a strong, highly academic, and standards-based curriculum, we have various programs that meet the needs of students. Some of the programs include Project Lead the Way (PLTW) and Gifted and Talented Education (GATE). In addition to these programs we provide music classes that are available to students. We are proud to be recognized as an Honor Roll School by the Educational Results Partnership (ERP) in 2017, 2018, and in 2019. We are also very proud to be recognized both as a California Distinguished School, and a Platinum PBIS School. Being a student at Juan de Anza means becoming part of a special community where teachers, staff, and parents are dedicated to improving student achievement and nurturing responsible citizens.

The Anza staff believes that all students can learn and use student data as both a performance indicator and as a guide to for instructional decision making. The staff utilizes a rigorous TK – 5 curriculum, instructional materials, and instructional practices that are aligned to the California State Standards. Teachers provide students with challenging lessons and multiple opportunities to think critically and demonstrate their learning in a variety of ways. At staff meetings and grade level meetings, teachers review local and state assessments to determine the effectiveness of our instructional program and to identify areas of strength and areas for improvement. We use a multi-tier system of support (MTSS) to help ensure student success.

Multiple measures are used to identify students needing intervention. Anza uses data, accessed through multiple measures such as PowerSchool, Schoolzilla, Literably, Lexia, and Accelerated Reader for measuring student progress. This allows for development of appropriate instruction and school wide academic interventions and enrichment opportunities such as English Language Arts (ELA) and Math Interventions. The emergent California State Standards, Next Generation Science Standards (NGSS) are the new foundation for rigorous and non-repetitive curriculum and instruction. The impact of analyzing data is demonstrated by the growth in State testing outcomes between 2015 and 2019. Overall, students "meeting" or "exceeding" the standards, as measured by CAASPP, show an increase in both Mathematics and English Language Arts.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. An electronic work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three full time evening custodians are assigned to Anza Elementary School. The day custodian is responsible for:

- Campus trash cleanup
- Office cleaning
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Gym and community center area cleanup
- Campus trash cleanup
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	67	71	72	74	50	50
Math	50	54	53	57	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

We have many ways for parents to participate in life at Juan de Anza School, and we depend on parents to keep our programs running smoothly. Parents can join our School Site Council, which works with administrators, teachers, and classified staff to help make financial and educational decisions. Parents of English Learners are vital to our English Language Advisory Committee and to our outreach efforts on behalf of new families. Room parents organize parent volunteers to help with special projects in the classroom and chaperone field trips. Our PTA provides invaluable support for our school through fund-raising and thousands of hours of volunteer work. The PTA also coordinates special family events such as restaurant nights and special parent information sessions. We encourage parents to come and get to know the Anza community through events such as the Pizza Picnic, Costume Parade, Winter Wonderland, and Spring Art Show. The Wiseburn Education Foundation provides funding for programs that enrich our arts and music opportunities. We ask all parents to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences in the fall and spring. Our PTA has been very successful in reaching out to new parents to help build our volunteer base.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Anza community of teachers, parents, students, and staff are all committed to providing a positive and safe environment. Our award winning positive behavior support system SOAR was developed to encourage the positive character traits of honesty, respect, accountability, objectivity, kindness, and outstanding citizenship. Anza Eagles are scholars, outstanding citizens, accountable, and above all respectful (S.O.A.R.). SOAR slips are used to recognize students that have exemplified expectations. In addition, school wide challenges like the Kindness Challenge and Character Challenge are opportunities that allow students to demonstrate their compassionate side. Teachers and instructional aides supervise the playgrounds. Our students are taught to resolve conflicts in a calm and non-physical manner using strategies that promote positive behavior. Fighting and/or physical altercations are extremely rare at Anza and result in serious and immediate consequences. Students benefit from a clean, safe facility that reinforces the high value placed on education by the school community.

The safety of students is the top priority at Anza. In order to ensure safety for all we have a district wide emergency protocol manual that is reviewed annually by all the teachers, staff members, and the school site council. It contains procedures for fire, earthquake, lockdown, and shelter in place. In addition to being reviewed, these scenarios are practiced as a school monthly to refine our actions and advocate for further safety. In the 2014-15 school year representatives from the local sheriff's station reviewed and approved the plan and we continue to share updates. We work in collaboration with this and other emergency agencies to ensure our plans and procedures are up to date and effective. Each staff member is assigned to various committees that will ensure safety during an actual emergency (search and rescues, first aide, communication, etc.). Anza participates annually in the Great California Shakeout each October. This provides us the opportunity to stage a full-scale earthquake drill with all committees engaged.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	6	6

During the 2018–2019 school year, our teachers attended 3 days of staff development that tied into our overall professional development plan for the implementation of cognitively guided instruction in the area of math. Through our continued partnership with the Talking Teaching Network, the focus was Mathematics. Each Wednesday, students are released by 2:05 p.m. for grade-level and site-level planning activities. When planning staff training, teachers and administrators look at student test scores and review the most pressing issues of the previous year to choose specific topics to focus on and refine instruction. Teachers were provided an additional hour once per month, for Teacher Collaboration Time (TCT). TCT's were lead by the administrator and teachers. Anza teachers are increasingly integrating technology to enhance instruction. Through a combination of professional development, coaching and collaboration, Anza analyzed student CAASPP data for students in grades 3-5 and collaboratively determined instructional needs of students.

In addition to our work in math, Anza teachers attended 3 full days of professional development on the The New Generation Science Standards (NGSS). Professional development was led by UCLA's Center X. By the end of 2018-2019, 100% of Anza teachers received professional development in CGI math and the NGSS. Work will continue throughout the 2019-2020 school year.

Types of Services Funded

Types of services funded in 2017-18 were the overall education program to the students of Anza Elementary School. The school also provided supplemental instructional programs to students who displayed need.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
