

Read a Book, Own the Galaxy Readathon, January 24 – February 9, 2020

Kids Reading for Kids!

Join Megan, our Readathon Astronaut, as we reach for the stars!

Hey, kids! How would you like to read as much as you can for two weeks and win great prizes! By tracking minutes and fundraising with family and friends, you'll be helping other kids in your own community have their very own books.

It's easy – Sign up today at www.bookspringreadathon.org with your school or sign up as a Galaxy Reader if your school is not listed.

The BookSpring Readathon celebrates 15 years of spreading the love of reading to kids and families throughout Austin and Central Texas

Students like you learn about community service and sharing the joy of book ownership with thousands of children in need. The Readathon is critical in helping BookSpring reach its goal of building home libraries for the 80,000 kids living in poverty.

Have fun and read, read, read!

BookSpring • 2006 Greenbook Parkway • Austin, TX 78723
