

Mission: The school counselors mission at Sellers Middle School is to support our students, staff, parents and community in addressing the academic and social/emotional needs of ALL students in order to prepare them for success in their future endeavors.

Vision: The Sellers Middle School Counseling program strives to provide, through collaboration with parents, teachers and community, a comprehensive school counseling program that addresses the academic, college/career, and social/emotional developments of ALL students. Through individual, group, and guidance lessons we set high expectations of learning and decorum that will assist each student in reaching their overall, full potential.
