

WBS Winter Newsletter

Baseball and softball season is closer than you think!

<https://wbsct.leagueapps.com>

REGISTRATION OPEN JAN 20TH

WBS is opening registration earlier than normal this year on **January 20th** so we can get a great head start on evaluations, uniforms and team preparations.

We are excited to announce **Early Bird Registration** until noon on Feb 7th that will save you **\$25** per player registration. Get in early, save some cash!

In addition, each early bird registration will receive (1) free ticket to Danbury's Hat Tricks Hockey game on March 7th. See below for more info.

Registration will also close earlier this year on March 15th so don't delay. If space allows, we may open registration on an exception basis for late comers but a late fee will apply.

Getting a head start on registration numbers for each league will really help us prepare for a successful season and we appreciate your help with this. Thank you! Links to register:

Winter Workout Clinics at the SMASH Factory

Winter workouts have begun and are completely revamped this year with workouts planned at the Smash Factory in Oxford. Workouts are scheduled for 12 weeks and started on January 12th and will continue until March 29th. Training sessions are being led by Nonnewaug High School coaches and Woodbury baseball coaches. At times, we may even get some high school players to help out.

Sessions are being held for Rookies, Minor and Major league levels. Emphasis for training will be focused on strength and agility, hitting mechanics and throwing/catching fundamentals. We are super excited that major leaguer, Rob Dibble will coach one of the winter sessions and share his experience with our young players!

Check out the facility at

Smash Factory

6 Pheasant Run Road

Oxford, CT 06478

Travel Season Announcement

WBS is pleased to announce that Brian Elmore has accepted a WBS Board position as the Travel Team Coordinator. We are also excited to announce that our travels teams will also have a new name... **Nonnewaug Baseball and Softball!** Thanks to Brian for taking on this important role.
