President's report: nothing to report

Treasurer's report: Not much activity since last meeting. Kroger's rewards have increased considerably and we were given a copy of the treasurer's report.

Principal's report: The survey results are in from students and staff from the EOS survey. 91% of the students surveyed said they want to go to a 2 or 4 year school. If the students are more prepared for College they are more likely to finish college. We are trying to do a push for more students in AP classes. AP seminar and AP research are good "first" AP classes.

The HOPE Squad is directly targeting reducing suicidal tendencies. There was a training for the staff and 16 adults have said they'd be willing to be leaders for HOPE Squad.

There has been a decline in the number of suspensions for vaping.

Mr. Carroll attended a conference at the capital for 2 days.

Scholarship: We still need a chair person

We discussed the possibility of selling EPND/ELKS window clings.

Elk Pride: We need candy.

Curriculum Advisory: They discussed the levy info and the state report card.

Teacher's appreciation: For the Lucky duck drawing the teachers will receive cookies with a note of appreciation.

Late Night @ CHS/ After Prom: Cambra met with student government. They asked Cambra if she'd partner with them and help with a Winter Dance.

There is a meeting scheduled for Thursday evening (Nov. 14) in the PDC to discuss After Prom/ Late night.

Best seats in the house: nothing at this time

Elk Tours: 1 tour was given

Hospitality: will be needed at the State of the District address in January.
