January 2020

# GUIDANCE NEWSLETTER

(845) 497-4000 ext. 24511 or 24512

*Happy New Year!!!*

## Seniors

Please remember to update Naviance as you receive decisions from the colleges you have applied to. Also, seniors should continue to check Naviance for scholarships.

## Juniors

PSAT scores were released on December 11th electronically to the email address provided to the Collegeboard. Students should take the time to view their performance in content areas and college readiness. Students can connect to **FREE** SAT study, AP Potential, career finder and college search. Sign ups for

SATs and ACTs are taking place online. Please see the website information and dates located in the box to the right. Counselors are currently meeting with juniors to choose course selections for senior year and talk about life after high school.

## Sophomores

Sophomores had a presentation by Orange-Ulster BOCES on their Career Technical Education Center programs on January 7th & 8th and will have the chance to visit two programs on February 5th. Students must hand in a visitation pass to Guidance in order to attend. Sophomores will be taking the Naviance career interest inventory to discover what

careers and strengths they possess in the next two weeks. *Parents*—be on the lookout for mail from your child's School Counselor regarding February scheduling and college planning meetings.

## Freshmen

Freshman were introduced to Naviance career and college program in November. They completed a "Do at You Are" assessment, learning about their personalities and what careers may suit them in the future. Freshmen will be meeting with their counselors in March to choose courses for next year.
