

BLMS Academic Accountability 2019-2020

Students in grades 6-8 must pass English, Math, Science, History, and Latin to be promoted to the next grade level. Students who fail any of the three aforementioned courses must take and pass the course(s) in summer school. If the student does not pass the course(s), he may be recommended for retention by the school. Retention decisions for students with IEPs must be made by the student's IEP team in accordance with the student's IEP goals.

- I. Summer School is **MANDATORY** for students failing two or more core courses and will be held from **July 6, 2020- July 31, 2020**. Absences are only excused for documented medical occurrences.
