

## **Volunteering in MTLSD Schools**

The Mt. Lebanon School District welcomes and values volunteer participation in our schools. The following information will help you determine the type of clearances, if any, that you will need to volunteer in Mt. Lebanon Schools. To ensure the safety of our students, MTLSD requires volunteers to comply with the Mt. Lebanon School District Policy IJOC School Volunteers. The objective of this policy is to "promote a safe and secure school environment by establishing requirements and procedures to be followed to confirm that school volunteers are in compliance with the provisions of Act 153 of 2014 which amended the Child Protective Services Law to require unpaid volunteers in the District's schools who will have direct contact with children to obtain background clearances prior to commencing services as a volunteer in the District's schools."
