

2020-2021 Health Careers Application Process

*****Important for Scheduling: All Health Careers Classes are held on BHS campus.**

1. Students need to complete and submit the on-line district options partial day program application: https://www.beaverton.k12.or.us/depts/tchlm/Pages/LO_Applications.aspx Print your confirmation and submit a copy with your home school's forecasting forms. (This will need to be done in **late February early March**).

*****No Application = No Forecasting for Health Careers 1*****

2. All applications (specifically paper if electronic was not available) are due to the District Options Office by **March 13th**.

*****Applications submitted after will be considered late*****

3. The District Options Office will input all applicants creating one master list, which will be sent to the Health Careers Program along with mailing labels.

4. The Health Careers Program will send out a postcard on **March 20th**, reminding applicants of the "Mandatory Open House" at Beaverton HS.

5. Attendance will be taken at the Open Houses on **Tuesday March 31st and Thursday April 2nd at BHS 6-8pm in BHS Auditorium**.

*****No Meeting = No Lottery or 2nd Consideration opportunity*****

6. On **April 3rd** the list of applicant attendees will be sent back to the District Options Office where, if needed, a lottery will then be held on **April 6th**.

7. The list of accepted students will be sent to each home school by **April 9th**. By that time commitment emails with a link will be sent to accepted students and a 2nd Consideration form will be sent to those not selected via the lottery. 2nd Consideration forms need to be in our hands (BHS Health Careers office) by **April 26th**. The 2nd consideration process will be held and finalized by **May 2nd** if needed. Final list released by **May 3rd**.

*****This process is for entry into Health Careers 1 only. The Health Careers Program is a 2-year district program with the option of Advanced Health Careers Core & Clinic or Nurse Assisting their 2nd year as long as all benchmark requirements have been met.**

**** Students will receive a mailer in late summer that gives them transportation information, class times, etc. ****
