I. INTRODUCTION

This document contains a Request for Proposals for providing food service management services for YES Prep Public Schools participation in the United States Department of Agriculture's School Nutrition Programs and sets forth the terms and conditions applicable to the proposed procurement. Upon acceptance, this document shall constitute the contract (Contract) between the offeror and the school food authority.

The Texas Department of Agriculture (TDA) is not and will not be a party to any contract between a school food authority (SFA) and a food service management company (FSMC). The school food authority has full responsibility for ensuring that the terms of the contract are fulfilled. The Texas Department of Agriculture (TDA) is not involved with the enforcement of this contract; however, TDA can deny payment for meals received or purchased under an invalid contract.

II. REQUEST FOR PROPOSALS

A. Legal Notice

Notice is hereby given that **YES Prep Public Schools**, hereinafter referred to as the School Food Authority (SFA), intends to examine alternatives to its present food service program.

No intent should be construed from this legal notice that the SFA intends to enter into a contract with any party for alternative food service unless, in the sole opinion of the SFA, it is in the SFA's best interest to do so.

All costs involved in submitting a response to this Request for Proposals (RFP) shall be borne in full by the party incurring the said cost.

The SFA reserves the right to accept any proposal which it determines most favorable to the interest of the SFA and to reject any or all proposals or any portion of any proposal submitted which, in the SFA's opinion, is not in the best interest of the SFA.

The offeror to this RFP will be referenced as the FSMC, and any contract that may arise from this RFP will be between the FSMC and the SFA.

The SFA strongly encourages Historically Underutilized Business (HUB), Minority and Women Business Enterprise (MWBE), and labor surplus area vendors to compete for this RFP.

B. Request for Proposals

Proposals will be received until 9:00 a.m. on Friday, March 13, 2020 for supplying **YES Prep Public Schools** (SFA) with food service management services during the school year of 2020 - 2021, with options for renewal of the Contract for four (4) additional terms of one year each.

SFA will consider :

- ☐ Cost-reimbursable Proposals
- ☒ Fixed Meal Rate Proposals

Competitive sealed proposals are subject to all the conditions and specifications attached hereto and will be received in the office of **YES Prep Public Schools** and shall be marked on the envelope "***Food Service Management Proposal, # YP2020-CN01***" and also marked on the envelope with respondent's return address.

SFA reserves the right to reject any and all proposals and to waive any minor technicalities to take the action which it deems to be in the best interest of the SFA.

Additional information required to respond to this **RFP** may be obtained from SFA's business office telephone 713-967-8618.

Offerors must submit a complete response to this RFP, including all certifications, to provide a responsive proposal.

Contracts entered into based on submitted proposals are revocable if contrary to law.

(See Standard Terms and Conditions herein below).

C. Procurement Method

Procurement Method will be the Competitive Sealed Proposals method (commonly known as a Request for Proposals or RFP). The Competitive Sealed Proposals method differs from the traditional sealed bid method in the following ways:

- Competitive sealed proposals allow discussions with competing offerors and adjustments to the initial proposal.
- Comparative judgmental evaluations of proposals using scoring criteria when selecting from acceptable proposals for the award of the Contract. USDA policy requires price to be the primary evaluation factor.

As provided herein, under state law and/or regulations and SFA's policy, discussions may be conducted with responsible offerors who submit proposals (Proposals) determined to be reasonably susceptible to be selected for award, for the purpose of clarification, to assure full understanding of all terms and conditions of the response to this RFP and Contract's requirements. In conducting these discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with 2 CFR § 200.

D. Pre-Proposal Meeting

A meeting with interested offerors to review the specifications, to clarify any questions, and for a walkthrough of the facilities with school officials, will be on Friday, February 28, 2020] at 8:15 a.m. Location: 5515 South Loop East, SUITE B Houston, Tx 77033. Attendance is optional. Vendor presentations will not be scheduled at this time.

E. Proposal Submission and Award

SFAs must use this prototype FSMC RFP and Contract to be approved. An SFA that does not complete the required procurement procedures cannot be approved for participation in the reimbursement programs.

Two copies of Competitive Sealed Proposals are to be submitted to:

Name: YES Prep Public Schools

Mailing Address: 5515 South Loop East, Suite B

Physical Address: 5515 South Loop East, Suite B

City: Houston

State/Zip: Houston, Texas 77033

Opening will be at 9:30 a.m.(CST) Friday, March 13, 2020. Proposals will not be accepted after this time. All Proposals are to be submitted in a sealed envelope marked “Food Service Management Proposal, # YP2020-CN01, Request for Proposal.”

SFA reserves the right to accept any proposal which it deems most favorable to the interest of SFA and to reject any or all Proposals or any portion of any Proposal submitted which, in SFA’s opinion, is not in the best interest of SFA.

To be considered, each offeror must submit a complete response to this solicitation using the forms provided, along with any other documents submitted as a part of the Proposal and considered responsive to this RFP. No other documents submitted with the RFP and the Contract will affect the Contract provisions, and there may be no modifications to the RFP and Contract language. If an offeror modifies, revises, or changes the RFP and/or contract in any manner, the SFA may reject the offer as non-responsive.

Award will be made only to a qualified and responsible offeror whose proposal is responsive to this solicitation. A responsible offeror is one who’s financial, technical, and other resources indicate an ability to perform the services required. The offeror shall submit for consideration such records of work and further evidence as may be required by the SFA’s Board of Trustees. Failure to furnish such records and evidence, or the inclusion of any false or misleading information therein, shall be sufficient cause for the rejection of the Proposal or termination of any subsequent Contract.

The qualification data shall be submitted by each offeror along with the sealed Proposal. The offeror must be incorporated or licensed to do business in the State of Texas and must be registered with the Food and Nutrition Division (FND) of the Texas Department of Agriculture (TDA). The respondents should submit annual reports or financial statements for the past fiscal year in the format of an “accountant’s review,” including notes to the financial statements provided by a certified public accountant. If the offeror is doing business with like school systems and is familiar with the regulations about operations in such environments, the offeror will receive points for that experience in the evaluation of the weighted criteria. If the offeror is presently operating a comparable, successful National School Lunch Program (NSLP) and School Breakfast Program (SBP) in a school setting, the offeror will receive points for that experience in the evaluation of the weighted criteria.

Offerors or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the offeror’s own risk and therefore cannot secure relief on a plea of error. The SFA is not liable for any cost incurred by the offeror

in submitting a proposal. **Paying the FSMC from School Nutrition Program funds is prohibited until the Contract is signed.**

If additional information is requested, please contact YES Prep Procurement at procurement@yesprep.org or 713-967-8618 . Any additional information provided to one offeror will be available to all.

F. Late Proposals

Any proposal submitted after the time specified for receipt will not be considered and will be returned unopened.

G. Altering, Amending or Withdrawing Proposal

No proposal may be altered, amended or withdrawn after the specified time for opening proposals.

H. Calculation of Time

Periods stated as a number of days shall be calendar days.

I. Firm Offer

By submitting a response to this RFP, and if such a response is not withdrawn before the time for opening proposals, the offeror understands and agrees that it is making a firm offer to enter into a contract, which may be accepted by SFA and which will result in a binding contract. **Such proposal is irrevocable for ninety (90) days after the time for opening proposals has passed.** _____ (FSMC must initial and date here to show agreement)

J. Final Contract

The complete Contract includes all documents included by the SFA in the RFP, and all documents submitted by the FSMC that have been mutually agreed upon by both parties (i.e., worksheets, attachments, and operating cost sheets) and identified in Section III, Paragraph 5 of the Standard Terms and Conditions.

12. SFA shall be legally responsible for the conduct of SFA's Food Program and shall supervise the food service operations in such manner as will ensure compliance with all applicable statutes, regulations, rules, and policies including regulations, rules, and policies of TDA and USDA regarding the School Nutrition Programs.

14. The SFA shall establish all selling prices, including price adjustments, for all reimbursable and non-reimbursable meals/milk and à la carte (including vending, adult meals, contract meals, and catering) prices. (Exception: Non-pricing programs need not establish a selling price for reimbursable meals/milk.)
15. The SFA shall be responsible for ensuring the resolution of Program reviews and audit findings. FSMC shall fully cooperate with SFA in resolving review and audit issues, and FSMC shall indemnify SFA for any fiscal action, claims, losses or damages, fault, fraud, required repayment or restoration of funds, including reasonable attorney's fees incurred in defending or resolving such issues, that results from FSMC's intentional or negligent acts.

USDA foods shall not be used for these special functions unless SFA's students will be primary beneficiaries. (Reference 7 CFR 250.1(a) through (c))
20. Payments on any claim shall not preclude the SFA from adjusting on any item found not to have been in accordance with the provisions of this RFP and Contract and bid specifications.
21. SFA may request of FSMC additional food service programs; however, the SFA reserves the right, at its sole discretion, to sell or dispense food or beverages, provided such use does not interfere with the operation of the Child Nutrition Programs. Any change to the scope of services to be provided by FSMC

beyond the original intent of this RFP and Contract, or that would constitute a material change to the RFP/Contract must be rebid. A critical factor in determining materiality is whether other bidders knowing of the change would have responded differently. (Reference USDA Guidance Memo SP 2-2016, October 30, 2015.)

24. Any changes to the terms or conditions of this Contract, which are required by Federal or State law or rule, or changes to Federal or State laws or rules, are automatically incorporated herein, effective as of the date specified in such law or rule.
25. FSMC shall comply with all SFA building rules and regulations.
26. Gifts from FSMC: The SFA's officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors in accordance with all laws, regulations, and policies. To the extent permissible under federal, state, or local laws, rules, or regulations, such standards shall provide for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards as outlined in the SFA's written code of conduct. (See SP 9-2015; and 2 CFR Parts 200.112 & 318).
27. Any additional payments to the SFA or any foundations or organizations associated with the SFA that are unrelated to food services, such as money or rebates for school improvements and student scholarships, are not allowable.
28. FSMC shall obtain and post all licenses and permits that it is required to hold under federal, state or local law.
29. In the event that the RFP requires FSMC to provide management services for SFA's School Nutrition Program, the parties shall operate the Program according to federal, state, and local regulations.
30. In the event that FSMC provides management services for the Fresh Fruit and Vegetable Program (FFVP) at any of SFA's Food Service Locations, SFA and FSMC shall operate the FFVP in accordance with the requirements of Section 19 of the National School Lunch Act, all applicable regulations and policies, and

the FFVP Handbook for Schools, as well as USDA guidance issued via memorandum and the Administrative Review Manual (ARM). SFA and FSMC further agree that not more than 10% of the total funds awarded to the school and/or schools for the operation of the FFVP may be used for administrative expenses.

2. SFA shall retain control of the quality, extent, and general nature of food service.
3. FSMC shall offer free, reduced-price, and full-price reimbursable meals to all eligible children participating in SFA's Food Service Programs indicated in Section B, Paragraph 3 herein.
4. In order for FSMC to offer à la carte food service, the FSMC must offer free, reduced-price, and paid reimbursable meals to all eligible children.
5. FSMC shall provide meals that meet the meal pattern set by USDA. TDA provides detailed information on applicable meal patterns in the *Administrator's Reference Manual (ARM)* which is available at Squaremeals.org.

7. FSMC shall provide the specified types of service in the schools/sites listed in Exhibit A.
8. FSMC shall sell on the premises only those foods and beverages authorized by the SFA and only at the times and places designated by the SFA, and that meet School Nutrition Program requirements.
9. FSMC must make substitutions in the food components of the meal pattern for students with disabilities when their disability restricts their diet as stated in the students' Individual Educational Plans (IEPs) or 504 Plans and when the need for the substitution is certified by an appropriately licensed medical practitioner. Substitutions for disability reasons must be made on a case-by-case basis only when supported by a written statement of the need for substitutions that includes recommended alternate foods unless otherwise exempted by FNS. Such a statement must be signed by an appropriately licensed medical practitioner (reference: 7 CFR §210.10(g)(1); SP 40-2017; SP 26-2017; and SP 59-2016. The FSMC may make a substitution for those nondisabled students who are unable to consume regular breakfast or lunch because of medical or other special dietary needs. Accommodations for special dietary needs for students without medical disabilities are an SFA decision. If a substitution is made to accommodate the special dietary needs of one student, the same accommodation must be made for all students with the same dietary need (reference: 7 CFR §210.10(g)(2)). There will be no additional charge to the student for such

substitutions. (USDA, “*Accommodating Children with Special Dietary Needs in the School Nutrition Programs Guidance for School Food Service Staff.*”)

10. FSMC shall make substitutions for fluid milk for non-disabled students who cannot consume fluid milk due to medical or special dietary needs. Substitutions shall be made when a medical authority or student’s parent or legal guardian submits a written request for a fluid milk substitute identifying the medical or other special dietary need that restricts the student’s diet. Notification of fluid milk substitutions shall remain in effect until the medical authority or the student’s parent or legal guardian revokes such request in writing, or SFA changes its substitution policy for non-disabled students. Fluid milk substitutes shall provide nutrients as required by federal and state regulations. There will be no additional charge to the student for such substitutions. (Reference 7 CFR § 210.10 (d)(3) and 7 CFR § 220.8)

D. Use of Advisory Group/Menus

2. FSMC shall serve meals that follow the 21-day menu cycles that meet the food specifications contained in Food Specifications, which is attached to this Contract as “Exhibit E” and fully incorporated herein, and that meet School Nutrition Program requirements.  - a. FSMC may not serve as a vendor.
 - b. SFA shall ensure that FSMC fully discloses on invoices submitted for payment, all discounts, rebates, applicable credits, allowances, and incentives received by the FSMC. Allowable costs will be paid from the Nonprofit School Food Service Account to the FSMC net of all discounts, rebates and other applicable credits accruing to or received by the FSMC or any assignee under the Contract, to the extent those credits are allocable to the allowable portion of the costs billed to the SFA.
 - c. If FSMC receives a discount, rebate, applicable credit, allowance, or incentive, FSMC must disclose and return to the SFA Nonprofit School Food Service Account the full amount of the discount, rebate, or Applicable Credit that is received based on the purchases made on behalf of SFA, and appropriate records which allow the SFA to ensure compliance as described in Exhibit M of this document must be maintained by the FSMC. The FSMC must credit the SFA's monthly bill/invoice the market value of all discounts, rebates, or applicable credits for purchases made on the SFA's behalf. The FSMC must provide documentation required for the SFA's periodic auditing of discounts, rebates, and credits for purchases made on behalf of the SFA. (7 CFR Part 210.21(f)(1)(i); 2 CFR 200.318(b))

 - i. Under a cost-reimbursable contract, FSMC shall maintain documentation of costs and discounts, rebates and other Applicable Credits consistent with federal, state and local regulations, and shall furnish such documentation upon request to the SFA, or state or federal representatives or auditors.
2. Whether SFA conducts its own procurement or whether FSMC procures products on behalf of SFA, FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which SFA would require under procurements not involving FSMC.
 3. FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for SFA or TDA review. Cost should be broken into two categories: (1) operational cost and (2) administrative cost.
 - a. Operational costs should cover the primary cost to run the FFVP to include purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges; non-food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables and in maintaining a sanitary environment.
 - b. Administrative costs are used principally to support planning and to manage the program. Administrative costs cannot exceed ten (10%) percent of the SFA's FFVP costs. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request

reimbursement for more than 10% for administrative costs. TDA will monitor the SFA and FSMC to ensure strict compliance with this provision.

- ☐ **SFA performs all purchasing for the food service operation.**
- ☒ **FSMC performs all purchasing for the food service operation, including, but not limited to, USDA Foods processing.**
- ☐ **FSMC performs all purchasing for the food service operation, excluding USDA Foods processing. The district will perform purchasing functions or join a coop to access services related to USDA Foods.**

If the SFA is performing all purchasing for the SFA school food service operation, SFA shall complete such purchasing activities in a manner that does not result in duplication of services or expenses in accordance with 2 CFR Part 200.318(d). If purchasing through a cooperative or group purchasing organization, SFA shall ensure that no conflict of interest exists between the third-party purchasing agent if any, and the SFA's contracted FSMC. To avoid duplication of services and potential conflicts, the SFA must not procure additional goods or services beyond what is stipulated in this Contract from the FSMC, the FSMC's parent company, or any subsidiaries of the FSMC's parent company.
6. For fixed-meal rate contracts, FSMC will buy from the SFA the beginning inventory. For cost-reimbursable and fixed-price contracts, FSMC must credit the SFA for the value of all USDA Foods (formerly known as USDA Commodities) received in the school year or carried over from a previous year if the SFA was self-operating during the previous year, whether the foods were used or not. As required by the Buy American provision, all products must be of domestic origin as required by 7 CFR Part 210.21(d). A “domestic commodity or product” is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, the SFA only may approve an alternative or exception. Requests for exception must include the: a) Alternative substitute(s) that are domestic and meet the required specifications: i) Price of the domestic food alternative substitute (s), and ii) Availability of the alternative domestic substitute (s) in relation to the quantity ordered; and b) Reason for exception: limited/lack of availability or price (include price): iii) Price of the domestic food or food product; and iv) Price of the non-domestic food or food product that meets the required specification of the domestic food or food product.
10. To indicate a geographic preference, the SFA must check ONLY ONE of the following:
 - ☐ For this contract, SFA requires that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.
 - ☒ For this contract, SFA does not require that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.

(7 CFR 250.53(a)(6))
 - a. SFA shall consult with the FSMC in the selection of USDA-donated foods; however, the final determination as to the acceptance of USDA-donated foods must be made by the SFA.
 - b. Upon termination of this Contract, FSMC must, at SFA's discretion, return other unused USDA-donated foods to SFA. The value of other unused USDA-donated foods shall be based on the market value of all USDA-donated foods received for use in SFA's food service. The market value shall be the allocated value provided to the SFA in the Texas Unified Nutrition Program System (TX-UNPS). (7 CFR § 250.51(a))

If the SFA indicated in E.4 of this agreement that the FSMC will do purchasing on its behalf, the FSMC will procure processed end products on behalf of the recipient agency, but may not itself enter into the processing agreement with the processor (7 CFR 250.50(d); 7 CFR 250.53(a)(8)). FSMC agrees that any procurement of end products by FSMC on behalf of SFA will be in compliance with the requirements in subpart C of 7 CFR Part 250 and with the provisions of SFA's processing agreements. (7 CFR 250.50(c); 250.53(a)(3)) All refunds received from processors must be credited on invoices submitted to the SFA's Nonprofit School Food Service Account. (7 CFR§250.51(a-b)) The method used to determine the donated food values may not be established through a post-award negotiation or any other method that may directly or indirectly alter the terms and conditions of the procurement or contract. The manner in which FSMC shall account for the value of USDA-donated foods is (7 CFR § 250.51(a), 250.52(c)):

- ☒ Fixed-meal rate: FSMC must credit the SFA's monthly bill/invoice the market value of all USDA-donated foods received for use in SFA's food service. The market value is based on the allocated value provided to the SFA in TX-UNPS.
- ☐ Cost-reimbursable: FSMC must itemize, in a separate line item in the regular monthly billing to SFA, the savings resulting from the use of USDA-donated foods based on the market value of all USDA-donated foods received for use in SFA's food service. The market value is based on the allocated value provided to the SFA in TX-UNPS.

FSMC is prohibited from cashing out USDA-donated foods. Credits to the SFA for USDA-donated foods must be identified as described in F.8. and F.10. (7 CFR § 250.52)

FSMC will maintain accurate and complete records with respect to the receipt, use/disposition, storage, and inventory of USDA-donated foods. (7 CFR 250.53(b)) Failure by FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA-donated foods.
12. FSMC will comply, as applicable, with 7 CFR 250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of donated foods in processed in products to the SFA, in accordance with requirements in 7 CFR Part 250 subpart C.

(7 CFR § 250.53(a) (10))
14. FSMC shall maintain records to document its compliance with requirements relating to USDA-donated foods in accordance with 7 CFR § 250.54(b). (7 CFR § 250.53(a) (12))

16. FSMC acknowledges that the renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA-donated foods. (7 CFR § 250.53(a) (12))

17. FSMC shall ensure that all USDA- donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the school food authority's Nonprofit School Food Service Account and are fully utilized therein. Under a cost-reimbursable contract, fringe benefits, as well as the basis for any salary increases, must be specified in the Proposal and approved by SFA in order for these to be Allowable Costs. Salary increases, if any, shall be awarded, in part, on the basis of criteria mutually established by SFA and FSMC. Such criteria, at a minimum, shall reflect measurable and substantive improvements in operating efficiencies, such as unit costs for food, labor, and direct items or specific and identifiable increase in such areas as the total numbers of students and staff participating in food service programs, and the total number of identified students for free and reduced meal reimbursements.

FSMC and SFA will sign a summary of the beginning inventory at the commencement and at the expiration or termination of this Contract and keep a copy of each on file with this Contract.

District may use this formula:

District will:

- 1) Calculate the square footage of the kitchen by developing a percentage of utilities based on the square footage of the food service facilities in relation to the total school square footage.
- 2) Determine the percentage of time the kitchen is in use compared to the total campus use. (The kitchen may operate 7 hours but the school day with activities may be 9 hours.)
- 3) Apply percentages to the average cost of the total utilities.

The district will only charge utilities for kitchens during months of operation (if the kitchen was not operating in the summer. The district must not charge the food service operation for utilities during the summer months.) The district must not include cafeteria usage when the cafeteria is used for purposes other than feeding students (pep rallies, study hall, evening functions).

14. SFA shall not be responsible for loss or damage to equipment owned by FSMC and located on SFA premises.
15. FSMC shall notify SFA of any equipment belonging to FSMC on SFA premises within ten days of its placement on SFA premises.
16. FSMC shall comply with all SFA building rules and regulations.

Such usage may not result in a cost to the Non-profit School Food Service Account.
18. SFA, on the termination or expiration of this Contract, shall conduct a physical inventory of all equipment, food, and supplies owned by the SFA.
19. Upon termination of this Contract, FSMC shall surrender to SFA all of SFA's equipment and furnishings used in SFA's Food Service Program in good repair and condition, reasonable wear and tear excepted.

SFA must determine in advance what percentage (total of 100 points which equals 100%) each category below will be given when comparing proposals. [SFA may insert additional categories if needed. (See Cost & Financial Proposal criterion below and NOTE: this criterion or consideration must receive more points for the evaluation than the other criteria. For example, if the other nine (9) criteria receive 9.5 points each for a total of 85.5 points, then the Cost & Financial Proposal criterion needs to receive 14.5 points as compared to the other criteria). However, SFA may not include as a category prior experience with SFA as it would violate USDA's free and open competition regulation for procurement.]

For fixed-meal rate contracts, FSMC shall annually provide to SFA information on food costs and revenues and such information must include food costs for reimbursable meals, food costs for nonprogram foods, revenues from nonprogram foods, and total revenues. Nonprogram foods may include, but are not limited to, adult meals; a la carte; catered foods; vending machine foods; and student stores operated, and any other sales generated through the Nonprofit School Food Service Account not already described herein. 2. In the event either party commits a material breach of this Contract, the non-breaching party shall give the breaching party written notice specifying the default, and the breaching party shall have 30 days within which to cure the default. If the default is not cured within that time, the non-breaching party shall have the right to then terminate this Contract for cause by giving 30 days additional written notice to the breaching party. If the breach is remedied prior to the proposed termination date, the non-breaching party may elect to continue this Contract. Notwithstanding the foregoing termination clause, in the event that the breach concerns sanitation problems, the failure to maintain insurance coverage as required by this Contract, failure to provide required periodic information or statements or failure to maintain quality of service at a level satisfactory to SFA, SFA may terminate this Contract immediately.

3. In the event that either party is prevented from performing its obligations under this Contract by war, acts of public enemies, fire, flood or acts of God (individually each known as a “Force Majeure Event”), that party shall be excused from performance for the period of such Force Majeure Event exists.

6. SFA is the responsible authority without recourse to USDA or TDA for the settlement and satisfaction of all contractual and administrative issues arising in any way from this Contract. Such authority includes, but is not limited to, source evaluation, protests, disputes, claims or other matters of a contractual nature.

7. Upon service ending by either Contract expiration or termination, it shall be incumbent upon the FSMC to cooperate fully with the replacement FSMC or SFA if SFA is returning to self-operated food service and with TDA to ensure a smooth and timely transition to the replacement FSMC or SFA.

DESIGNATION OF PROGRAM EXPENSES

The SFA has deemed the following Program Expense schedule to be a necessary part of this bid specification as an indicator of who will bear ultimate responsibility for the cost. Costs that are not provided for under the standard contract terms and conditions, but are necessary for the effective on-site operation of the food service program and are directly incurred for the SFA's operation, must be assigned by the SFA and included in the RFP. The column selected by the SFA for each expense represents whether the SFA or FSMC is ULTIMATELY responsible for that cost.
