OPTIONAL

Career Outlook

Identify a career you are interested in. Research the educational requirements, write a career description, research the starting salary, and share your reasoning for your interest.

Unique Smartness

What is your definition of unique smartness? Explain to your teacher how you are uniquely smart. Explain how your career outlook (see above) aligns with your unique smartness.

Innovate

From a pencil to a light switch, think of technology you use. How could you improve this tool? Remember that technology is something that simplifies a task or process.

Community Connection

- What's a problem in your community you would like to solve?
1. Define the problem
 2. Identify the key components
 3. List resources needed
 4. Propose possible solutions

Hashtag your eLearning to share how you are learning:

#RSSeLearning

Student eLearning Day Information

Questions and Answers:

Do I have to reach out to my teacher and ask questions?

No. The available time is there if you need help or have questions for your teacher.

What happens if I do not have electricity/Internet/ supplies at home to complete the assignments?

You will have 5 days on return of school to complete the assignments.

Do I have to complete all the assignments?

Yes. Just like a normal school day, you are responsible for completing all assignments given by your teacher. Your teacher will tell you which assignments you should complete.

District Student Incentives:

Students post using the hashtag [#RSSeLearning](#) to show how they are using the eLearning day to be an engaged student.

Checklist:

Before the eLearning Day Checklist

I know my teacher's office hours and platform before an eLearning day.

I know how to access my assignments.

Student eLearning Day Checklist

I know the assignments assigned by my teachers.

I have completed all assignments by my teachers.

(Optional) I have completed a Passion Project.

(Optional) I have used the hashtag to share my eLearning experience.
