York Presents Crazy Uncle Fest – February 6 & 7, 2020

With ***Crazy Uncle Fest***, York Drama is providing its students and audience a rare opportunity, Anton Chekhov's ***Uncle Vanya*** performed alongside the contemporary adaptation, ***Life Sucks***, by Aaron Posner. ***Uncle Vanya*** is one of Chekhov's four master works, the story of that beloved, crazy uncle we all have. Chekhov serves us a blend of laughs and heartache as we watch Vanya dive into his mid-life crisis with a moment of existential angst. Aaron Posner's adaptation, ***Life Sucks***, blows that word, contemporary, out of the water, taking the plot of ***Vanya*** and knocking down the fourth wall to include the audience in this exploration of love, loss and longing. ***Uncle Vanya*** will be performed Thursday and Friday, February 6th and 7th, at 7:30. ***Life***
