

CAMP WHITFIELD

Move • engage • create • play

Camp Whitfield day camp is conveniently located on Whitfield School's campus at the corner of Mason and Ladue roads. Children entering kindergarten through seventh grade are invited to join us for one, two, or all three sessions of Camp Whitfield! Each session, campers will choose an elective class from an array of science, creative art, and technology topics. In addition to the elective they choose, campers will participate in several core classes, including art, games, sports, and improvisation. Led by Whitfield faculty members and alumni counselors, campers engage in hands-on activities, projects, and experiments each day. Tied in to Whitfield School's character education program, the Habits of Mind and Heart, campers are encouraged to explore while practicing mindfulness, citizenship, and leadership.

CHOOSE YOUR ACTIVITY

SESSION	1	Spanish Adventure	Take the Stage	Ceramics	Invent, Design, Build

WHITFIELD STEM CAMP

BE A TECH WARRIOR AT WHITFIELD'S STEM CAMP THIS SUMMER!

Whitfield STEM Camp combines hands-on labs, engineering challenges, digital investigations, and more—all designed to engage campers in the grand challenges of STEM. Led by Whitfield Assistant Director of Technology, Lisa Barry Jenkins, each day will be filled with hands-on labs, fun thematic recess activities, and STEM career connections.

Questions? Contact Lisa Barry Jenkins at lisa.barryjenkins@whitfieldschool.org.
