Ambitious, forward-thinking, flexible and self-motivated? If you can combine these attributes with excellent teaching skills, this is the unique time to join the pioneering teaching staff at Coombe Wood School. This role brings the optional additional opportunity of a temporary responsibility for whole school literacy. We seek expertise in delivering English; in return you have the opportunity to build on five terms of groundwork, helping to shape the curriculum structure and methodology as we work towards the delivery of the GCSE courses starting in September 2021.

You will benefit from the strong team spirit which has contributed to a supportive learning environment for both staff and students. Our staff are ready to overcome unexpected challenges, break fresh ground, encourage and share excellent teaching skills within our hardworking and dedicated group.

This role could suit either and NQT or a teacher looking to develop and broaden their professional knowledge and extend their skills in the lead up to working on our inaugural GCSE courses. Looking forward to the move to our permanent building plus another cohort of students in September, further opportunities for career development occur year on year.

Career progression is actively encouraged and taken seriously across the Trust. By becoming part of the team at Coombe Wood School, your career will benefit from joining a future-focused group of schools, where you have the advantages of career advancement and professional development opportunities within the school - and potentially within Folio Education Trust: <http://www.folio-education.co.uk/>. This is a local collaboration of schools offering access to high calibre CPD, which contributes to the recognised quality of learning within our schools.
