Dear Costello Families,

A few reminders regarding dismissal . . .

Dismissing nearly 400 students is a process. Our goal is to safely and efficiently dismiss students. Please share this information with anyone who may be picking up your child. One or just two cars out of order can create a snag in the whole process. When everyone properly follows dismissal procedures, the process moves along much quicker and ensures student safety. Dismissal time is a great opportunity to model patience for your children!

Costello students are dismissed at 4:07 PM. After school transportation options include, bus riders, after-school CARE, Boys & Girls Club, and . . .

WALKERS & TALKERS (W & T)

Parking spaces are reserved for W & T parents who park, get out of their car and wait outside (near the north end of the school) for their students. ALL W & T vehicles need to be parked in an official (lined/painted spot). Double parking, waiting in your car for your child, parking by the dumpster and fence is NOT allowed. W&T parents need to meet their student outside of the school's north doors and walk with their student either home, or back to their (legally parked) vehicle.

If you prefer to wait in your car, then you must (not park and) stay in the Express Loop.

EXPRESS LOOP

Express Loop vehicles never stop running, they circle around the parking lot until slowly reaching the front of the school by the main entrance. Once your car reaches the front of the school, your student will enter your vehicle, from the passengers side, into the back seat. Using the Express Loop is most efficient. You can change your child's dismissal procedure to Express Loop by sending a note (with your student) to your child's teacher. Express Loop users actually get the right-of-way since the child is not yet in the car.

Parking in the side lot and waiting in your car for your student is not an option

REMINDERS...

- Walkers, for you and your child's safety, PLEASE use the crosswalks.
- Teachers are busy teaching and do not always check their e-mail until the end of the day. Sending a note in to the teacher in the morning is a good way to ensure the teacher receives the message.
- Dismissal changes should be made prior to 3:30.

The Troy Police Department partners with our TSD schools to enforce our safety rules. As always, we thank you for your cooperation and support to keep Costello students and their families safe.

Please feel free to e-mail jcavellier@troym.k12.mi.us with any questions, concerns or suggestions.

SICK STUDENTS NEED TO STAY HOME

Schools bring children into close physical contact, thus giving communicable diseases an opportunity to spread quickly. When a child has a fever (100+), they may be contagious. Likewise, when a child has a fever, and they don't stay home and rest, they are more likely to prolong their illness and/or get sicker. Oakland County Health Department advises that when a child has a fever (Costello's fever protocol is a temperature of 100 or more) should stay home until they have been fever free (without medication) for 24 hours. When your student has any of the following symptoms, it may be best for them to stay home.

- ◆Sore Throat ◆Pain and stiffness of neck and headache
- ◆Swelling/tenderness of neck glands ◆Persistent Cough
- ◆Nausea / Vomiting ◆Diarrhea and stomach pain

Following the above guidelines will help prevent a child from developing possible complications and will keep the school environment a healthy one.

Conferences: Thursday, March 19

Due to Spring conferences, Thursday, March 19 will be a half day. School will be dismissed at 12:59 PM.

Unlike the November conferences, 1st – 5th grade teachers will **NOT** meet with all parents. If your student's teacher doesn't contact you, and you would like a conference time, please e-mail them and they will accommodate you.

Conference sign-up details will be sent later. Please e-mail questions to: jcavellier@troy.k12.mi.us
