

I. PURPOSE

The purpose of this policy is to convey to employees and to the general public the important role of community education within the school district.

II. GENERAL STATEMENT OF POLICY

The school board affirms a strong commitment to the community education program. The school board welcomes, and strongly encourages use of school buildings and activity areas by the community when not used for regularly scheduled elementary and secondary programs. The school administration should strive to accomplish the following objectives:

- A. Maximum use should be made of public school facilities within the school district service area.
- B. Educational needs and interests of area residents of all ages should be determined periodically.
- C. Community resources and expertise of residents should be utilized to develop a vibrant, well-rounded community education program.
- D. Area residents should be encouraged to actively participate in program opportunities.

III. COMMUNITY EDUCATION ADVISORY COUNCIL

- A. The council shall assist in promoting the goals and objectives of the program.
- B. The membership of the community education advisory will consist of members who represent: various service organizations; faith community; public and nonpublic schools; local government; public and private nonprofit agencies serving youth and families; parents; youth; park and recreation; and any other groups participating in the community education program in the school district.
- C. Bylaws of the community education advisory council shall provide the framework for the organization including criteria pertaining to membership, officers' duties, frequency and structure of meetings and such other matters as deemed necessary and appropriate.

- D. The council will adopt a policy to reduce and eliminate program duplication within the school district.
