## School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019—20)

Lockeford School serves about 500 students from Kindergarten through 8th grade. Located seven miles east of Lodi the school utilizes a modified-traditional calendar. Mr. Michael Rogers is the school principal and Mrs. Renhult serves as vice-principal. They work in cooperation with a school leadership team consisting of staff members. The leadership team directs school improvement efforts, plan activities to support Common Core Standards, communicate issues with other staff members and analyze data to determine effectiveness of programs and future needs. Decisions related to areas of focus are made by the entire staff after initial meetings with the leadership team and parent groups. Parent input is gathered during meetings of the school Site Council, Parent-Teacher Association, the English Language Advisory Committee, and the parent survey.

Our students receive a standards based, comprehensive education focusing on language arts and math, but also encompassing all other subject areas including; science, social studies, physical education, classroom music, computer skills, English language development and the Life Skills. Students are consistently recognized for their academic achievement, attendance and positive school contributions through a variety of classroom and school wide incentive programs.

#### Mission/Vision Statement

Our educational community of parents, teachers, students and administrators assure all children receive guidance and instruction to develop their academic, personal and social skills to the fullest. Our curriculum is based on the State of California and Lodi Unified School District grade-level standards. Varied teaching strategies and techniques are utilized to accommodate different learning styles and our diverse student population. Opportunities are provided for all students to apply learning to actual life situations.

Cowboy School Motto:  
Lockeford Cowboys Reach for the Stars!

## School Facility Conditions and Planned Improvements

### AGE OF SCHOOL BUILDINGS:

Year built 1949.

### MAINTENANCE AND REPAIR:

The Lockeford School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2011 Modernization was completed by renovating multi-purpose, kitchen, site work, & classroom additions. 2013 Added a P.E. track & path of travel. 2014 Replaced flooring in various rooms and restrooms. 2015 Prop 39 lighting retrofit & HVAC controls completed. 2017-18 Parking/Drop-Off improvement project.

### NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Lockeford Elementary on 10/8/2019.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2019, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Lockeford Elementary.

These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	41.0%	46.0%	44.0%	45.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	31.0%	34.0%	33.0%	34.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019—20)

Parents who wish to participate in Lockeford Elementary's leadership teams, school committees, school activities, or become volunteers may contact Principal Michael Rogers at (209) 331-7214.

Our School Site Council, Parent-Teacher Association, English Language Advisory Committee and other parent and community volunteers have assisted in developing and providing a strong support system for the education of all students. Each year parents are invited to join any or all of these organizations. A bi-annual/annual parent survey is sent home to all families, which is used for program improvement and safety suggestions. The staff and school community has developed a strong partnership in the education of the children and together have achieved tremendous academic gains and consistently improve on our academic and social events.

### School Safety Plan (School Year 2019—20)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 11/26/2019.
