School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

This school sits on 9.3 acres and was built in 1977.

MAINTENANCE AND REPAIR:

The Parklane School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2011 South parking lot was repaired. 2013 HVAC controls & lighting were replaced. Data on school facilities was collected for Parklane Elementary on 10/8/2019.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2019, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Parklane Elementary.

These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	24.0%	23.0%	44.0%	45.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	18.0%	20.0%	33.0%	34.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

All members of the greater Parklane Learning Community (teachers, administrators, parents, students and community) are committed to continuous student academic achievement and the meeting of grade level State standards.

School Site Council (SSC) composed of teachers, parents and administrators meets six times a year to oversee school projects, categorical expenditures to improve academic achievement, review curriculum, school safety and educational issues.

The English Language Advisory Committee (ELAC) meetings six times a year for presentations and discussions of issues of concern to parents of English language learning students.

Parents are primary partners with the school in ensuring the academic success of Parklane Elementary School students. We enlist their energy in the academic and social development of their children. As an equal partner, we can send a strong message to children of the importance that is placed on education.

Parent involvement through participation on the School Site Council (SSC), English Language Learner Advisory Committee (ELAC) or Parent Teacher Association (PTA) is encouraged. Any parent wishing to become more involved in taking a school leadership position or working at a school to support his/her child/children, should contact the school principal at (209) 953-8410.
