School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019—20)

Lodi High School, serving grades 9-12, is one of four comprehensive high schools in a community of approximately over 60,000 people. While the present site was built in 1958, Lodi High School began classes on September 8, 1896 and celebrated its centennial birthday during the 1996-97 school year.

Students are challenged by a strong academic curriculum with opportunities in the arts, agriculture, business and computer education, family and consumer education, industrial education, physical education and speech. A strong ROP program in vocational and career path training includes key areas such as technology, agriculture, law enforcement and fire science, business, graphics, industrial arts, health and medical, as well as other offerings. The work experience program provides school-to-career opportunities. Academies, SLC's (Small Learning Communities), and Avid provides students with academic and career emphasis. A wide range of co-curriculum experiences supplement the classroom program for students, including 11 (boys and girls) varsity sports and a variety of service, academic, and curriculum related clubs. Lodi High School places a premium on maintaining a school environment that promotes student self-esteem and safety. Conflict management provides peer counseling and assistance to students. A fulltime school resource officer, and a part-time probation officer, in addition to 4 full-time campus supervisors provide a safe climate. Safety, cleanliness, and maintenance of our facilities are high priorities.

The staff regularly inspects the campus and requests repairs as needed. Administrators and classified personnel consistently monitor campus activities to provide direction and supervision of our students. The safety of students is the school's first priority, and the progressive discipline policy is strictly enforced. The school went through an accreditation by the Western Association of Schools and Colleges in spring of 2005, and was granted a six-year accreditation. The school was revisited by a representative of the Midterm Visiting Committee on March 28, 2008, and the committee found significant progress being made in most growth areas identified by the Focus Teams.

Vision/Mission Statement . . .

It is our mission to ensure the best education for all students to be successful in life. It is the vision of Lodi High School to provide an equal educational opportunity for all students. Each student at Lodi High should realize his/her maximum potential. There will be no achievement gap between groups of students. Lodi High has a diverse staff that is highly qualified and enjoys its work. Our school is inviting and responsive to parents, engaging them as partners in their children's education. We provide resources to support a quality education on our campus and a safe, attractive, learning environment in our high school. We have a trusting, working relationship between the Board of Education, the school district, and the community. Our goals include meeting program improvement requirements as all groups of students improve their performance, and make progress to eliminate the Achievement Gap. It is our goal to improve the engagement of parents/guardians as partners in their children's education. We support an environment where diversity is valued and resources are maximized to improve the achievement of student in a safe and positive learning environment.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

Year built 1956.

MAINTENANCE AND REPAIR:

The Lodi High School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: New fencing for security. 2012 Replaced various HVAC units & and completed Photovoltaic Project

MODERNIZATION PROJECTS: 2011 Various HVAC units were replaced. 2012 Replace various roofs and handicap wheelchair lift. 2013 Kitchen, staff lunch room, and restroom were renovated. 2015 Added new chain link fence for security and painted staff lounge. 2016 Portable restroom epoxy floors & walls, and football & soccer field were renovated. Asphalt staff rear parking lot areas were repaired. Parking Lot/Playground Safety Project. 2017 Renovated football & soccer turf field, added soccer field lighting, replaced south gym score board, poured additional concrete to track area, and repaired roofing on gym building. 2018 Added emergency security fence.

NEW SCHOOL CONSTRUCTION PROJECTS: N/A.

Data on school facilities was collected for Lodi High on 10/8/2019.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2019, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Lodi High. These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	56.0%	54.0%	44.0%	45.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	38.0%	35.0%	33.0%	34.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education (CTE) Programs (School Year 2018–19)

The instructional programs at Lodi High continue to place specific emphasis on standards-based Curriculum. Classes are designed to meet the needs of our unique student population and to provide a comprehensive education for all students through a variety of programs. Academic success is facilitated by programs such as AVID (Achievement via Individual Determination), advanced placement and honors classes, two California Partnership Academies (Apple and Agriscience). Special education students are offered assessment through State, district, and site-based monitoring systems. Students also have the opportunity to participate in CTE courses at Lincoln Technical Academy, the district's CTE learning center, in which courses are designed with career and college preparation in mind.

Lodi High School encourages all students to participate in the school to career options offering comprehensive curriculum emphasizing current technical skills and work place training.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Parents who wish to participate in Lodi High School's leadership teams, school committees, school activities, or become volunteers may contact Principal Adam Auerbach at (209) 331-7815.

Parents are encouraged to call the school when they have concerns about their students, grades, attendance, discipline, or other school activities. Translation is provided through the use of a Spanish-speaking community liaison. Parents are informed of school events via school correspondence, Connect Ed. messages from the principal and vice principal, school newsletter. All communication from the school is translated in Spanish. As part of the shared decision making model utilized at Lodi High School, parents have played key roles through representation on the School Site Council. The members of this Council represent the interest of parents, private business owners, educators, religious leaders and local community groups. Three major parent groups meet and discuss issues on a regular basis: School Site Council, Parent/Teacher/Student Association (PTSC), and English Language Learner's Advisory (ELAC).

School Safety Plan (School Year 2019—20)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 10/30/2017.
