(SV Hosts!)

May 19th at 5PM @ Bothell High
(Jr. Olympics)

HiCap Information

If your child moved to the second stage of highly capable assessments and took the IOWA Assessments, he or she will bring home a letter indicating the results by backpack on Friday, January 31st. Please note that we give the IOWA assessment one full grade level above your child's current grade level and the assessment is one measure of your child's performance. We use the IOWA assessment in combination with the NNAT3 screener and often other measures to indicate whether or not your child demonstrates the skills necessary to perform in a highly capable classroom. Please direct any questions regarding the contents of the letter to the highly capable department website <https://www.nsd.org/highly-capable-services> or to their email at hicap@nsd.org.

Will your child be absent or late to school? Is your family going on vacation? Is there a change to your child's after school transportation plans? Do you have a question, concern, or comment for the office?

Did you know you can email svoffice@nsd.org and both Mrs. O'Neill and Miss Wright will see it?

The office can be a chaotic place, but if you send an email to the shared office email address, one of us will respond as quickly as possible.

Go Sharks!

January 22, 2020

Dear Parents,

You may have heard in the news about the first diagnosis of a new viral illness, Coronavirus, in Snohomish County. While some strains of Coronavirus have been around for a while, this is apparently a new strain with potentially severe consequences, especially for vulnerable populations (elderly, children, or immune compromised people).

This first case was contracted by a person traveling through Wuhan City, China. While this is the first case in the USA, the CDC is expecting there will be more cases.

If you have traveled to, or through China, and have subsequently become ill, please contact your medical provider immediately, telling them you have recently traveled in China.

Please notify the school nurse if your child is sick and has recently travelled from China or has been in close contact with anyone under investigation for laboratory confirmed Coronavirus (2019-nCoV). Symptoms may include fever, cough and shortness of breath.

If you have any questions about this important health concern contact your school nurse.

For more information:

<https://www.cdc.gov/media/releases/2020/p0121-novel-coronavirus-travel-case.html>

A Note from Nurse Sherrie:

The health room is in need of clothing donations. The biggest need is for size 4-7 elastic waist pants or leggings for boys and girls. I also need some winter shirts.

If your student has borrowed clothes, please wash and return them.

If your child is likely to get muddy at recess or have bathroom accidents, please send a change of clothes to keep in their back pack.

Thank you!
