**THE FUTURE
IS EXCITING**

Dear Future Yellowjacket,

We want YOU! We want you to be part of our family, our team, and our passion. We are searching for highly-motivated humans, with extraordinary hearts! We want persons with enthusiasm for their content, and an undeniable love for their students. Is this YOU?

Are you looking for small town passion, accompanied by big dreams? Would you love an opportunity to show students, from low socioeconomic backgrounds, the world through books, literature, or technology? Would you love to see the light in a child's eyes when the "light bulb goes off" and they comprehend text outside of their dominant language? These are just a few of the many rewards of teaching and working for Alto ISD. These rewards can't be bought with money, and can't be replaced with time. These rewards will stay with you because they are bonded with love, caring, and appreciation.

If these are the rewards in life you are looking for, please, send your resume to us today. Our students are depending on YOU!

Sincerely,

The Small but MIGHTY, ALTO ISD

Top 10 Reasons to Work for Alto ISD:

10. Location, location, location!

Our tiny town is nestled in the center of deep East Texas. Lufkin, Tyler, Nacogdoches, Palestine, Crockett, Henderson, Jacksonville ... wonderful towns are a short drive away.

9. Friday night lights!

You haven't experienced Friday Night Lights until you have been to an Alto Yellowjacket football game! The excitement is contagious!

8. School leadership!

District and campus leaders are dedicated to providing support for their teachers and staff in order to create the best learning environments for students. They are driven by the desire to create a learner-centered school, where the needs of the whole child are met on a daily basis. EVERY child, EVERY day!

7. Community support!

Our small school is supported by a loving, caring, and active community. The community has a strong desire to support our mission and goals to ensure the best for all students. We never lack parents willing to lend a helping hand.

6. Small but MIGHTY!

In a district of our size, we are able to know the faces and names of all of our students. Being a Yellowjacket, is being a part of a family.

5. Teacher/student ratio.

Small teacher-student ratio makes for an optimum learning situation within all grade-level classrooms.

4. Dedication to educating the WHOLE child!

Small but mighty ... we know their names, and we know their NEEDS. We pride ourselves on caring for our students inside and outside of the school building.

3. Learner-centered classrooms!

Alto ISD is centering all teaching, all procedures, and all practices around the LEARNER, our students. They are our PURPOSE after all!

2. Dedicated and caring staff!

We have many "home-grown" teachers and many of our staff members have driven many miles, for many years to teach in our school.

1. OUR STUDENTS!

They are truly our PRIDE and joy! We are confident they will bring JOY, LOVE, and LAUGHTER to your life!

*More than a school,
we are a FAMILY.*
