

Mu Alpha Theta Math Honor Society

Membership, High School Chapter:

- Members must be high school students in grades 9 through 12.
- Members must be registered with Mu Alpha Theta at the school at which their permanent records reside.
- Members must have completed the equivalent of two years of college preparatory mathematics, including algebra and/or geometry, and have completed or are enrolled in a third year of college preparatory mathematics.
- On the 4-point grading scale, members must have at least a 3.0 math grade point average.

Associates:

- Associates must be high school students in grades 9 through 12
- Associates must be at the school where their permanent record resides.
- Associates must have completed one year of algebra, or its equivalent, with distinction and are currently enrolled in a higher math course.

Associates are not members of Mu Alpha Theta but are likely candidates for membership. Associates do not pay the initiation fee but are eligible to be listed with the National Office, should they wish to participate in Mu Alpha Theta national math contests. While they are not entitled to vote nor hold office in their chapter, they are entitled to attend and be heard at meetings. A student may remain an associate for only one year and then, if eligible, must be inducted as a member of Mu Alpha Theta.

In addition, our chapter has an SAT score requirement for each grade level as follows:

Freshman: 570 or higher

Sophomore: 600 or higher

Junior: 630 or higher

Senior: 650 or higher

Once SAT scores are compiled, invitations are sent out to eligible students to fill out the application below to apply to Mu Alpha Theta.
