

Joel E. Falcon Jr., MS, RTSBA is beginning his 17th year in public education previously working for six years at Garland ISD as the Executive Director of Facility and Maintenance Operations, which included overseeing the 2014 Bond Program valued at \$500M. Prior to Garland ISD, he worked two years at Houston ISD as the General Manager for Construction and Facility Services and prior to Houston, he worked for nine years at Dallas ISD in various positions including Field Supervisor, Director of Pupil Transportation and Executive Director of Maintenance Services. Mr. Falcon also worked in the private sector for 13 years in Transportation and Logistics before joining public education. He is an active member of TASBO and is a Registered Texas School Business Administrator and the Association for Learning Environments (A4LE). Joel joined Mansfield ISD on January 21, 2020 as the Assistant Superintendent of Facility and Bond Projects.

In his new role as Assistant Superintendent of Facility and Bond Projects, Mr. Falcon is responsible for maintenance and facility operations districtwide which includes overseeing the 2017 Bond Program, as it wraps up its final phase. He believes that all children are unique and who need a secure, caring and stimulating atmosphere in which to grow and mature emotionally, intellectually, physically and socially. It is Mr. Falcon's desire to help all learners meet their fullest potential in these areas by providing an environment that is conducive to learning.

Mr. Falcon received his BS from the University of North Texas and MS from Amberton University specializing in Managerial Science. He is married to Diana who also works in education as an area manager for the American Federation of Teachers and has four daughters. Mr. Falcon and his wife currently reside in McKinney but will be soon relocating to the Mansfield area.
