275 TOTAL STUDENT ENROLLMENT

MISSION

Sync-Serve-Send
Sync with stakeholders so together we will learn about the science of belonging, caring, grit, gratitude, curiosity, self-control, and growth mindset then practice making these concepts come alive with passion. Serve as directors of destinies and offer compassionate gestures to show students that we care for them on a personal level. Then by creating school-wide critical bonds to improve student learning we will Send our students to their next phase with academic, social, and emotional growth.

ROBOTICS & STEAM LAB

Guided by adult coaches and FIRST LEGO League Jr. Core Values, our students build models and participate in Challenge Expos using LEGO® Education. The program focuses on building interest in science, technology, engineering, arts and math (STEAM). Participating students must solve a real-world challenge using research, critical thinking, and imagination. In addition, our robotics teacher supervises a Discovery Lab Club for students who may be interested in this field.

Enrollment data from October 1, 2019.
A SPIRIT OF GIVING BACK
In addition to the standard academic curriculum, our school offers leadership training and community service opportunities to sixth grade students. Students work with an active member of the local community to select a non-profit organization and implement community service projects that help raise money. This program is a powerful way for students to give back to a community that so generously supports our school. Thanks to organizations such as ONEOK, John 3:16 and Boston Avenue United Methodist, our teachers receive funding and supplies needed throughout the year to teach our students.

STABILITY AND CONSISTENCY
Located just two miles north of downtown Tulsa, Burroughs Elementary has a long and proud history in the community. We were the first school to embrace integration, and we continue to focus on ensuring we provide a safe, joyful and welcoming environment for our students and families. This commitment has led to consistency in systems that drive success as well as a staff of teachers who go above and beyond for the students at Burroughs. Whether they are finding time to learn from each other, volunteering on the weekends or perfecting their leadership skills, teachers at Burroughs are always looking for ways to bring new ideas and ways of learning to our students.

CLUBS AND PROGRAMS
Robotics, Discovery Lab Club/STEAM, Boy Scouts, Girl Scouts, Safety Patrol, Student Council, Basketball – Recreational League, Soccer – Spring Recreational League

Pending Board approval of the Jan. 6, 2020 proposed changes to grade configurations Burroughs Elementary would serve grades pre-K through 5th in the 2020-2021 school year. Students entering 6th grade in 2020-2021 would attend Central Junior High School.

TULSA PUBLIC SCHOOLS AT-A-GLANCE
Our mission is to inspire and prepare every student to love learning, achieve ambitious goals and make positive contributions to our world.

Schools and public charters: 81
Schools offering career and technology education programs: 23
