Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for the Novi Woods Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact David Ascher, principal of Novi Woods, for assistance.

The AER is available for you to review electronically by visiting the following web site (<http://bit.ly/2Hf8WPu>), or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school "HAS NOT BEEN GIVEN ONE OF THESE LABELS".

In April, 2018 the Michigan Department of Education released a new, *Parent Dashboard for School Transparency*. The dashboard is meant to be a "living" tool to show parents accurate and objective data about all schools in the state. You can view our school's Dashboard at <http://bit.ly/36vH0jG>.

Despite being proud of our many achievements, Novi Woods continues to closely monitor the progress for each student, and we are concerned for any achievement gaps that exist in our school. For example, we have gaps between our students who have and do not have disabilities. Also, our students who are learning to speak English need specialized support. Ultimately, each teacher works to differentiate instruction to meet the individual needs for each student.

State law requires that we report additional information.

Process for Student Assignments
