- To begin, WATCH the Video tutorial of the on-line conference scheduling system. This can be found on the "Conferences" banner on the HS web site. The steps the video reviews for you:
- Log-in to <https://www.pickatime.com/ephs>. OR go to the HS website, the FEATURE "Conference Information", and click the easy link "MORE" to schedule.

NOTE: Each email address with pickAtime can only have 1 password.

FIRST TIME SCHEDULING: (if previously scheduled, SKIP to # 4)

1. The first page is "Welcome to the EPHS Online Scheduler". Enter your email address and click on "log-in / create an account".
2. On the second page under "EPHS requires the following information", confirm your email address, enter your First name and Last Name and CREATE your own password for your account.
3. On the next page, for each child at the high school, enter their student ID and their birthdate (using MM / DD / YY format) and press "Add". You will then see your student's teacher list and schedule.

The name of the teacher is color coded to correspond to their schedule.

*** If there is a student teacher or temporary sub, it will be the primary teacher's name. If a teacher is booked, you will see that time blocked.

*** **If your student had a schedule change AFTER Monday, Feb.3**, the previous teacher will show on the schedule. Please call 952-975-8015 for help scheduling the appropriate teacher.

5. Once you input your times, your schedule will be available in printable format. You can also have an email reminder sent to your address.

These need to be completed by parent(s) / guardian(s) and you will be scheduled as best as possible. Be sure to include the name (FIRST and LAST if possible) of each teacher you wish to conference with and the subject taught. **This is DUE by Wednesday, February 12.**
