What does the PTSA do?

Thanks for asking! PTSA in the high school is very different than in the earlier grades. We will not constantly hound you for your time or endless fundraising. But we will provide you with an avenue to know what is happening in the school.

We proudly support:

The students with a Freshman Academic treat after first semester success, a donation to the Lois B. Schmidt Scholarship awarded to 2 area seniors, and ongoing parental support.

The staff in the fall with a welcome back dinner and in the spring with an Appreciation Lunch.

The library with a book fair hosted at Barnes and Noble so they can purchase new books each year.

The activities at **the school** with volunteers for Falcon Prep day, science fair, and coat check at the formal dances.

The arts through the Reflections art competition.

And the Washington State **PTA legislative agenda** addressing school safety, student mental health and high caliber teacher support and retention.

We need your help. Our budget is small, only \$10 per family will maintain our current levels of support. You can drop it in our Hat at Parent Teacher Conferences.

Thank You!
