### *Reasons to consider career & college educational courses:*

- Expand your educational and career options in many high demand fields of study.
- Gain access to current, future-oriented training by skilled education professionals.
- Career and college courses provide engaging, academically rigorous, and relevant hands-on learning.
- Career and college readiness courses provide skills and good work habits for a lifetime.
- Students have the opportunity to earn college credit through most of these high school courses.
- Students may also have opportunities to earn industry certification upon program completion.
- Additional job shadows, internships, and apprenticeship opportunities are available.
- Meet State and NSD graduation requirements through CTE Graduation Pathways option.

### *Ask about College Credit:*

- Earn credit toward a 4 year degree, two-year Professional/Technical AA Degree, or certification.
- Military bound? Earn a promotion and a pay increase with your college credits.
- University bound? Check with the admissions office for more information.
- Stand out to future employers & college admissions by listing college credit on your resume.
