MISSION
Together with the Westside Tulsa community, Clinton West Elementary School’s mission is to educate all students by empowering them to be lifelong learners. We seek to provide the skills, character traits and values necessary to be successful in a changing world. In addition, we desire to challenge our students to achieve their maximum potential in an engaging, inspiring and safe learning environment.

OPPORTUNITIES FOR MENTORSHIP
Students at Clinton West have a community of volunteers who want to see them succeed. Whether they hear from a former peer about life beyond elementary school or eat lunch with a volunteer from Big Brothers & Big Sisters, we want to help our students build meaningful relationships. In addition, our students participate in Reading Partners, a program in which trained volunteers deliver individualized one-on-one tutoring for elementary students to achieve early literacy.

STEAM OPPORTUNITIES
Clinton West utilizes the STEAM educational approach, which focuses on Science, Technology, Engineering, Arts and Mathematics as access points for student growth. Our students participate in the Women in Construction Competition — a Lego competition in which students design and build a structure of their choice. We have a strong track records for success. Clinton West has had one regional and one national winner! We also offer field trips to Discovery Lab for students in every grade level.

HIGH ACADEMIC ACHIEVEMENT
We have a thriving Gifted/Talented and English Language Learners Program at Clinton West, and the teachers of these two programs recently collaborated to give our students a unique learning opportunity. Students traveled to the University of Tulsa to compete in a business competition where they were challenged to develop a business plan to promote and sell a product. A group of our third-grade students took first place!

CLUBS AND PROGRAMS
Safety Patrol, Student Council, Bike Club, Girls Club, Boys Club, Girl Scouts, Green Team, Junior Achievement, Westside YMCA After Care Program
