

ASEP INFORMATION

Fire & Emergency Drills

ASEP conducts fire drills, lock down, shelter in place, and weather drills. These drills are required by the division of child development, our licensing agency. If you are in one of our sites when a drill is called we ask that you participate in the drill to reinforce to your child and his/her friends the importance of these drills.

Vacationing, Extended Absence?

Let us Know!

Please notify us, in writing, if your child will be away from ASEP for a week or more. We may be able to adjust your bill if we have 2 weeks advanced notice. Contact your Site Coordinator if your child is ill for an extended period of time.

PARENT CORNER

Time to Update

At the end of each marking period, we ask that you update your information on your child's application. This also gives you a great opportunity to "check in" with your child's group leader or the site coordinator to review your child's progress.

Behavior

For the children in our programs, we are an extension of the school day. Please remind your child that the rules they follow during school are also the rules they must follow in ASEP. Contact your child's Group Leader or Site Coordinator if you have questions.

2019-20 ASEP DATES TO REMEMBER

**ASEP and school will be
closed on
February 14 and 17, 2020.**

EXCITING ACTIVITIES AT ASEP FEBRUARY 2020 EDITION

KHES children celebrate Benjamin Franklin's birthday and learn about his inventions.

CHES and NHES ASEP students celebrated Chinese New Year, the year of the Rat!
Children at CHES made rats from chenille stems and recycled materials to make homes for them. Pictured here is Braelynn.
Below: At NHES, Julian and Jordan play a Chinese game.

At MES Edy, pictured left, shows his Lego creation.

Right:
The Dental Hygienists from Atlantic Dentistry helped FFES keep their smiles bright!
