MISSION

Cooper Elementary School provides a safe, positive, and engaging environment which encourages all students to achieve their personal best, to become responsible and productive citizens with a goal of life-long learning.

LANGUAGE SUPPORT

Families value the opportunities to engage with Cooper Elementary, and we never want language to be a barrier. Bilingual staff as well as our Parent Involvement Facilitator ensure Spanish-speaking families feel connected through translated newsletters, emails and letters in addition to being on call to answer any questions. Our five English Language Development (ELD) teachers provide additional support for native Spanish-speaking students both one-on-one and inside the classroom.
ABLE ATHLETES
Cooper Elementary School works to create an inclusive environment for all students. Each year, students participate in Able Athletes, a 12-week physical education program tailored to students with multiple disabilities or severe autism. Students work throughout the year to practice a variety of motor skills, such as balancing, climbing and maneuvering around objects. Parents and students are then invited to the annual Athlete Walk, during which our Able Athletes demonstrate the skills they have learned. In addition to these events, our teachers implement activities into their classroom curriculum to raise awareness about disabilities.

SPORTS
We believe that staying active is vital to student development, and we are proud of our Cooper basketball team! Our athletes play at the Tulsa Dream Center, where they learn how to work with others and utilize teamwork to achieve a common goal. The Cooper cheer and pep squad students also attend games to support their peers. This athletic opportunity provides our students with another way to excel, and it helps them grow into more well-rounded individuals. In addition to basketball, we also offer an after-school soccer program.

CLUBS AND PROGRAMS
Bike Club, Basketball, Soccer, Cheer, Gardening Club
