341 TOTAL STUDENT ENROLLMENT

MISSION

Our mission at Eugene Field Elementary School is to excite, engage and educate every student every day so that all students will be academically, socially, and emotionally prepared for their future!

SOCIAL EMOTIONAL APPROACH TO LEARNING

Eugene Field Elementary School is one of five recipients of The Wallace Foundation’s Social/Emotional Learning Grant. This is an intentional development of children’s cognitive, interpersonal and character-building skills through a program researched and developed by Yale University. We also have counseling support services on site to better support our students’ social and emotional health.

Creating high-quality learning experiences means educating the whole child by meeting his or her social, emotional, and academic needs. Social and emotional learning (SEL) is the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions.

With strong social and emotional skills, our students will be able to set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

HIGH COMMUNITY INVOLVEMENT

At Eugene Field Elementary, we greatly value parent and community engagement! As a result, we schedule various parent appreciation events throughout the year to celebrate parents. Our Parent Teacher Organization also gives parents a platform to engage with their students' learning and a voice in the administration. In addition, Eugene Field provides a quarterly Community Night Out, which includes a performance from the kids, an activity to do alongside the students and plenty of food!

STRONG COMMUNITY PARTNERS

Students at Eugene Field have a community of over 60 local partners rallying for their success. We participate in the Reading Partners program, providing one-to-one literacy tutoring for students, and Lunch Buddies, which ensures that students are building relationships during school hours. We also partner with Global Gardens to provide our students with hands-on lessons about nutrition. Our generous corporate partners support Eugene Field students and our school with needs throughout the year.

Families affected by the Choice Neighborhood Initiative Grant have access to additional transportation to continue attending Eugene Field. Contact the school directly for additional information.
