Water Safety Chaperone Form - School Board Policy FMG

Campus: **Sport:**

Destination: **Dates of Activity:**

Students and chaperones must be educated in a nationally recognized water safety course (i.e., American Red Cross) before participation in any trip involving water activity (pools, spas, hot tubs, water parks, lakes, rivers, ponds, oceans, boating, and small crafts).

The chaperones listed below have reviewed the Water Safety course information on the Teens Health website: https://www.kidshealth.org/en/teens/water-safety.html#.
