## **Spring 2020 Handwriting Camp at ESD** **3<sup>rd</sup>-5<sup>th</sup> grade**

Handwriting camps are ideal for students who would benefit from more individualized assistance with handwriting skills, pencil grip and overall fine motor strength. Weekly camp sessions focus on developing and strengthening fine motor skills along with writing endurance. Each week proper letter and number formations will be reviewed. Line placement, proper sentence structure, and self-editing skills will also be incorporated.

Activities are sent home as a way to ensure continued success across all environments.

Handwriting camps are led by occupational therapists. The Handwriting Without Tears curriculum is utilized as a guide for letter formations. Occupational therapy groups can be submitted to insurance for potential reimbursement.

Supplies and workbooks are included in the tuition price.
