Dear Parents,

**Important Guidance regarding Social Media**

It has come to our attention that a number of Facebook pages, WhatsApp groups and similar social media platforms exist for school members. On recent occasions parents have mistakenly distributed false information and incorrect arrangements for boys regarding events and fixtures. In one instance this information resulted in numerous phone calls to the office and huge confusion resulting in boys bringing the wrong kit into school. The information given out can be very unreliable. Please ignore advice given on unofficial social media and contact us directly. If you need advice or guidance on your son or school arrangements we are here to help you.

Perhaps it is also timely to remind you we monitor social media and its content. Comments about staff or the school are wholly inappropriate and will be dealt with by us as they come to our attention.

I trust that I can rely on your support in this matter.

With my very best wishes,
