

MyBookBlog

The boys are now in the process of getting access to MyBookBlog. When using it home, the boys **must** use the following link:

<https://mybookblog.org/login/haberdashers/>

Please do not try to access the service through a Google search. We have a dedicated login page that enables the boys to easily access the service using their designated password

NB: I have also attached a list of books that are on MyBookBlog for your reference.

I also wanted to thank you all for the wonderful posters and 'get caught reading' photographs in response to the half term book challenge. They have brightened the library considerably and have been a great talking point for the boys.
