

## Davis High Girls Golf Try-outs 2019-2020

We will be meeting at the Davis Park Golf Course Monday March 2<sup>nd</sup> and we will play 18 holes. Tee Times starting at 1:30. Tuesday March 3<sup>rd</sup> and we will play 9 holes. Tee Times starting at 2:45 for a two day try-out. Alternate site if the weather is not good enough to play would be Eagle Lake Golf Course in Roy. You will need to pay your own green fees each day. Please be on time as the course needs to keep the tee times moving for public play.

- You should bring your clubs and be ready to go
- You will golf with 3 other golfers at the most and you will keep track of your score and one other golfer

We are planning on keeping around 12-18 girls that are **committed** to practice and playing during the entire golf season. Please check with your parents and your schedule before you decide to try-out so that you are sure this is for you.

Practices will be Monday-Thursday at Davis Park Golf Course and various other golf courses. **Each player will be responsible for your own ride to practices and matches.**

There are some fees involved with all sports that will need to be paid if you make the team. Golf is expensive but we are fortunate to have Davis Park be our home course and allowing us to use the course. The following list includes some of the fees that will be assessed and some are optional while others are required.

- Davis District Activity Fee: \$90.00
- Davis Park Golf Course usage fee: \$85.00 (Pays for green fees and range usage Monday-Friday)
- Some green fees at other practice courses.
- Team Clothing attire: (Shirt, Skort, Pullover, Pants) ???
- Visor, book, team towel, t-shirts ???

# Go Davis!!
