

Welcome to Marymoor Park

Marymoor Park has been a site for countless activities over the years, from its early days as a dairy farm and country estate to its current use as a hub for recreation. Acquired by King County in the 1960s, Marymoor Park stands at 640 acres and is one of the region's most beloved parks. Some 3 million visitors come to Marymoor each year to walk their dog, play a soccer game, ride a bicycle, or attend an event.

Established in 1997, Friends of Marymoor Park (FOMP) is a non-profit coalition of individuals, park user organizations and other groups dedicated to monitoring, maintaining, and improving Marymoor Park for the benefit of the community. FOMP provides information, offers activities, and creates opportunities for the community to invest time and resources in support of the park. FOMP plays an important role in planning and advocating for the park's future and preserving its heritage and natural resources. Get involved! Contact FOMP at <http://www.marymoor.org>.

Thank you for paying your parking fee, which directly supports the operation and maintenance of this park.

Metro Transit provides service to and along W Lake Sammamish Parkway NE and to the Redmond Park & Ride at NE 180th St (1.5 miles north of the park). For routes and timetables, visit <http://www.transit.metrokc.gov/>.

Athletics

Soccer, baseball, and lacrosse are some of the most popular activities at the park, which offers synthetic turf and grass fields for league play, tournaments, and pick-up games. Marymoor is also home to cricket and rugby fields, tennis courts, and a 45-foot, free-standing climbing rock.

Willowmoor Farm

Once a dairy farm and country estate, the Willowmoor Farm area consists of the historic Clise Mansion, windmill, and a variety of heritage trees. A concert venue also makes this area perfect for outdoor summer events and performances.

Off-Leash Dog Area

Situated in a natural setting are 40 acres of space for dogs to run free. The off-leash area is one the most popular dog parks in the country and is stewarded by the community non-profit group, Serve Our Dog Areas (S.O.D.A.).

Natural Heritage

Marymoor Park has a 300-acre protected conservation area that offers wooded brush and marshy wetlands where the Sammamish River meets Lake Sammamish. More than 120 bird species are regularly found in the park, in addition to abundant flora and other wildlife. Built and cared for by Eastside Audubon, the Birdloop Trail offers an excellent way to experience Marymoor's natural side.

Cycling

Built in the 1970s, the velodrome regularly hosts national and international-level cycling competitions. The Marymoor Velodrome Association offers educational and competition programs at the site, which serves as an outstanding training ground for cycling enthusiasts of all ages.

Through the Dasani Blue Bike program, easy-riding community bicycles are available to the public at no cost for use in the park. Registration is required, which can be done at the Park Office.

Recreation & Event Area

This large open space provides ample room for events, from Cirque du Soleil's performances under the big top tent to charity galas to a safe, flat area to learn to bicycle!
