Presentation to SLC Families

The Department of Rehabilitation (DOR) assists Californians in obtaining and retaining employment and maximizing their equality and ability to live independently in their communities. The DOR does this by tailoring services to each individual to ensure a greater chance of success. The DOR came and made a special presentation to our SLC families and answered questions regarding services, supports and benefits that are available to our SLC students and families.

Positive Behavior Supports at SLC

At SLC, we promote Positive Behavior Improvement System (PBIS), through which students earn opportunities to participate in field trips. The students selected a field trip to purchase lunch at Costco. At SLC, we believe in rewarding students for demonstrating appropriate behavior and meeting target goals. Students enjoyed snacks and treats served at the Costco food court.

The SLC Students will take part in the 6th Annual SLC Poetry Reading at Barnes and Noble on February 25th. Students will have an opportunity to present their poems to an audience, socialize with their peers and family members and enjoy some tasty treats.

Colleges Comes to the SLC!

This year, student representatives from El Camino and Santa Monica College visited the SLC to discuss the opportunities available through community colleges. Students gathered information about the application process and financial aid available to help finance college. SLC students and staff learned about student expectations and the support available to South Bay students.

President's Corner

My name is Christian and I am proud to serve as class president at Success Learning Center. My goal as president is to make our class better. I enjoy SLC because of how nice the students are here. I hope to be a good example to others at SLC by showing respect to my peers and being a good friend to others. When I am not at school, I like to play videogames.
