MISSION

The mission of Springdale Elementary is to be engaged and joyful while we challenge ourselves and others in a caring school community.

A THRIVING DUAL-LANGUAGE PROGRAM

Springdale Elementary proudly offers a one-way Dual-Language Program to our native Spanish-speaking students, which helps them build fluency and comprehension through daily interactions in both English and Spanish. Students enrolled in this program learn to read first in Spanish. Then, they spend equal amounts of time studying Language Arts in English and in Spanish. Math is taught in English, and Science and Social Studies are taught in Spanish.

The entire Springdale office staff is bilingual, which helps ensure seamless communication between our school and students’ families. For families from other cultures, our staff is known to be a trusted resource that is always ready to answer any general questions about navigating schools in the U.S.

Enrollment data from October 1, 2019.
CLUBS AND PROGRAMS
Soccer Club, Girls Club, Basketball Club, Change Makers, Boy Scouts and Girl Scouts, Good News Club, Art Club

PARENT FACILITATOR
Mayra Carranza, the Parent Facilitator at Springdale Elementary, won the Tomas Rivera Heroes in Education Award last year, which is presented to educators for the impactful work they are doing in the Latinx community. Mayra has been instrumental in increasing attendance rates, increasing participation in parent-teacher conferences and establishing English classes for Springdale parents and families. In 2018-2019 alone, Mayra helped organize a Hispanic Heritage Month celebration and managed all middle school and extracurricular applications for families, providing equitable access for all families.

FOCUS ON FINE ARTS
The Springdale Elementary Art Education Program provides maximum opportunity for each student to have hands-on experiences in producing art, as the program is designed to encourage perceptual awareness through the involvement of all the senses. In addition to after school art programs, our music students learn songs in three different languages (sign language, Spanish and English) so all students can participate.
