OUR MISSION

At North Star Academy, our mission is to inspire and prepare every student to love learning, achieve ambitious goals, and make positive contributions to the world.

NORTH STAR BEYOND: PROJECT BASED LEARNING

- » Students who need freedom from the social pressure of high school but still crave social interaction in a smaller setting.
- » Students who want to minimize exposure to negative interactions.
- » Students who want supportive relationships with adults and peers.
- » Students who enjoy hands-on, collaborative, interactive learning projects.
- » Students who prefer smaller class sizes.
- » Students who enjoy learning outside the walls of school.
- » Students who need an abbreviated day at school.

MEANINGFUL CONTRIBUTORS IN TULSA AND BEYOND

We earn respect and give respect. We lead with love and compassion for others. We accept that what we do impacts our neighborhood, country, and world. We take this responsibility with us wherever we go.

RESOURCEFUL LEARNERS IN A RAPIDLY CHANGING WORLD

We have learned how to learn and we use that skill to tackle school and life. We know that lasting success comes from collaboration, so we work to understand ourselves and others. We strive for success, learn from failure, and in all cases, persist. We thrive, even in uncertainty, because opportunity and challenge go hand-in-hand.

DESIGNERS OF OUR OWN LIFE JOURNEY

We understand and draw confidence from our identity and worth. We tackle problems and create our own solutions. We take ownership of our life, advocate for ourselves, and follow our imagination. Life is full of surprises, so we are firm in our goals but flexible in our plans.

NORTH STAR ACADEMY ONLINE 2022-2023

North Star Academy accepts applications throughout the school year for students in grades 6-12. We have helped thousands of high school students get on track and graduate. At North Star Academy Online, students take one class at a time to gain credits. This allows students to have a laser focus and complete credits quicker than a traditional school.

North Star Academy is proud to offer a different school experience. Students can learn where they want! While the primary mode of instruction is online, our team is dedicated to holding students accountable for being successful by providing one on one assistance and tutoring with coursework. We offer students the opportunity to accelerate graduation and/or recover credits and/or enjoy a flexible school experience. We are committed to cultivating relationships with students by focusing on academic success, career exploration, and celebrations.

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At North Star Academy, the 2021 Bond for Tulsa Public Schools includes:

- » ADA-accessibility improvements, including full restroom remodels and exit modifications;
- » Upgrades to the STEM lab;
- » Redesigning the school's front entrance to provide a safe, welcoming, and secure student, parent, and visitor experience; and
- » Ensuring access to safe, comfortable, and environmentally sustainable transportation.
