MISSION

Scholars at Unity Learning Academy will joyfully engage in an academically rigorous curriculum that prepares them for a rigorous Junior High & High School experience all in the service for preparing them for college and beyond. At Unity Learning Academy, we strive to be a place of learning that provides a quality learning experience for every student, every day, without exception. Unity Learning Academy will provide a safe, nurturing and encouraging learning environment that will focus on results, celebrate successes and promote a high standard for all.

FOCUS ON HEALTH

Unity Learning Academy partners with Global Gardens to provide every grade level with its own garden. Teachers at our school incorporate these gardens into the lesson plans, teaching kids how to cook with fresh ingredients, eat healthy meals and incorporate the “seed to table” mentality.

CATAPULT PILOT PROGRAM
Tulsa Public Schools believes that our schools are the unit for change. Unity Learning Academy is a part of the Catapult pilot program, which focuses on building a culture of learning and feedback.

GENEROUS PARTNERS
As a neighborhood school, we live true to the Unity name by uniting our community. We are lucky to have many generous community partners who provide resources for our teachers, fund field trips for our students and sponsor monthly dinners for our families. These events are wonderful times for students to show their parents what they have learned and get to know their neighbors. Thanks to organizations such as Graves McLain, the Ed Darby Foundation, All Souls Unitarian Church and Partners in Education, Unity children know they are loved and supported in a welcoming community.

TULSA PUBLIC SCHOOLS AT-A-GLANCE
Our mission is to inspire and prepare every student to love learning, achieve ambitious goals and make positive contributions to our world.
