**DISCUSSION ITEMS:**

- **Last Month Update:**
  - Boundary update: No new information.
- **New Items:**
  - \$102,296 to spend on School Improvement Plan
  - Joanna is our new STS- she will be coming to next months meeting and can give an update on the technology.
  - Goals and money allocated last year:
    - Professional development- subs and occasional outside classes and training. We allocated \$9k and we have used \$6k so far
    - Math-we allocated \$15k
    - Language arts- reading tutors and TA's. Our scores went down slightly, but we revamped what we are doing to focus more on a nurturing relationship with the tutor and the reader. We are having success with this new model.
  - Potential Goals for next year:
    - Increase Acadience reading scores by 3%
    - Increase Rise scores by 3%
    - Professional Development- Allocate more money for TA's and teacher resources
    - Physical and Digital Safety

**Next meeting: March 4, 2020 @ 3:45pm**
