2020-2021 Course Registration Form

Class of 2023

From Monday, February 10 to Friday, February 21, you will be involved in the very important process of registering for classes for next year. The 2020-2021 Master Schedule will be built based on the choices you make now. It is essential, therefore, that you carefully review your graduation credit status and plan well for next year.

The steps to follow in your registration process:

1. Carefully study the Academic Guide, which is posted on the TG website at www.totinograce.org, under **Academics/Academic Departments**. As you plan, keep in mind prerequisites, graduation requirements, and your progress toward the **fifty four (54) credits necessary for graduation**. You must take a **minimum of fourteen credits** per year - no fewer than seven per semester.
2. As you plan, seek help from your homeroom teacher, parents, current teachers, counselor, Mrs. Broadhead or Mr. Vandermyde. Take the time to plan thoughtfully.
3. Use a) the information on this sheet, b) your school Transcript, and c) both the course descriptions and required signature information in the online Academic Guide to determine your course selections for next year. Then carefully complete the reverse side of this sheet with your course requests for the 2020-2021 school year.
4. Finally, **have your parents and homeroom teacher sign** the 2020-2021 Course Registration Form.
5. Turn in the completed Course Registration Form to your homeroom teacher during morning homeroom on or before **Friday, February 21, 2020**.

• GRADUATION REQUIREMENTS

When choosing classes you will want to keep in mind not only your sophomore requirements, but also other courses required for graduation. They include a Fine Arts course, World Language and Health. If you have already taken these courses at Totino-Grace, you may choose other elective courses to complete your tenth grade schedule.

The Fine Arts requirement has been fulfilled if you have successfully completed one of the following courses: Art Fundamentals, Digital Imaging & Photography, Band, Choir or Acting & Performance 1. If you have not yet fulfilled the Fine Arts requirement, you may do so by taking any of the following courses next year: Art Fundamentals, Digital Imaging & Photography, Band, Choir or Acting & Performance 1. In the case of Band or Choir, if you take a full year of the subject, the second credit is counted as an elective credit.

If you took Reading Practicum in ninth grade please note that it is considered an elective course. It did not fulfill an English requirement.

• ELECTIVE COURSES

The elective courses that tenth graders may choose come from the following academic departments: Art, Business, Drama, English, E3, Industrial Arts and Music. Please choose these and all courses carefully.

• MAKING UP FAILED COURSES

If you receive a failing grade in any subject at Totino-Grace, you may make up the credit to meet graduation requirements by retaking the course at Totino-Grace or by completing an approved course (summer school, correspondence, etc.). You must receive PRIOR APPROVAL from the Academic Office before enrolling in any such course. Keep in mind that registration for public school summer courses is usually done in the spring.
