Normal progress towards graduation means that you should have a minimum of 28 credits by the end of your sophomore year and you should schedule enough credits so that you have a minimum of 42 credits by the end of your junior year. 54 semester credits are required for graduation.

• JUNIOR REQUIREMENTS

All juniors are required to take 14 credits:

English 11: World Literature A/B or AP English Language & Composition A/B
Christian, Catholic & Charism
Christian Morality
Biology A/B
Mathematics A/B
US History A/B or AP US History A/B
4 Electives

• GRADUATION REQUIREMENTS

When choosing classes you will want to keep in mind not only your junior requirements, but also other courses required for graduation, such as Health, a Fine Arts credit and 2 years of a single World Language.

The Fine Arts requirement has been fulfilled if you have taken one of the following courses: Art Fundamentals or Digital Imaging & Photography, Band, Choir or Acting & Performance 1. If you have not yet fulfilled the Fine Arts requirement, you may do so by taking any of the following courses offered next year: Art Fundamentals, Digital Imaging & Photography, Band, Choir, or Acting and Performance 1. In the case of Band or Choir, if you take a full year of the subject, the second credit is counted as an elective credit.

• ELECTIVE COURSES

The elective courses that eleventh graders may choose come from the following academic departments: Art, Business, Drama, English, E3, Industrial Arts, Math, Music, Physical Education, Science, Social Studies, and World Languages. Please choose these and all courses carefully.

• TEACHER AIDE

If you wish to be a Teacher Aide, you may not count the credit toward the minimum 14 credits required each year. You may, however, count the credit toward the 54 required for graduation. If you wish to be a Teacher Aide you do not register for that course until the first week of the semester. Teacher Aide grades are not included in your GPA.

• MAKING UP FAILED COURSES

If you receive a failing grade in any subject at Totino-Grace, you may make up the credit to meet graduation requirements by retaking the course at Totino-Grace or by completing an approved course (summer school, correspondence, etc.). You must receive PRIOR APPROVAL from the Academic Office before enrolling in any such course. Keep in mind that registration for public school summer courses is usually done in the spring.

Please mark an "X" on the line in front of the courses you plan to take next year. If there is an asterisk (*) before the course title, it means you must get a signature on the line to the right of the course title. The number of asterisks, (i.e., *, **), before the title of the course indicates the number of signatures required to take the course. Check the required signature information in the online Academic Guide to see whose signatures are required. **To access the online Academic Guide, go to www.totino.org under Academics/Academic Departments.**
