MISSION/VISION

The mission of MacArthur Elementary is to develop students who excel as lifelong learners both academically and socially and who develop problem-solving and critical-thinking skills to help them succeed at life.

POSITIVE BEHAVIOR INTERVENTION SUPPORT SCHOOL

We are a Positive Behavior Intervention Support School where we focus on elevating the positive in each child as well as teaching students how to interact in a positive manner. Using rigorous curriculum along with supporting teachers to develop greater conceptual understanding and richer instruction, we provide a meaningful learning experience for all our students.

At MacArthur, we reward positive behavior and attendance. Students earn a weekly “paycheck” which can be spent on STAR store items, free dress passes, and giftcards.

RACIAL/ETHNIC DISTRIBUTION*

*Enrollment data from October 1, 2021.

21ST CENTURY CONTINUED LEARNING CLUB

Through a grant from Youth at Heart, we offer a free 21st Century Continued Learning Club that provides homework help, free tutoring and high-interest clubs like gardening and bike club after school from 2:30-5 p.m., with a light meal included. Through the Reading Partners program, children are paired with community volunteers who work with students on a one-on-one-basis. In addition, through other business and faith-based partners, food baskets, backpacks and other services are available for families in need.

STUDENT LEADERSHIP GROUP

We promote and encourage our students to be leaders through our Student Leadership Group. These leaders partner with Educare to read to the babies in the Educare program, organize and run a can food drive and perform other leadership duties in the school.

ACTIVITIES OFFERED

Bible Club, Bike Club, Student Council, Safety Patrol, Gardening Club, 21st Century Continued Learning Clubs

STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At MacArthur Elementary School, the 2021 Bond for Tulsa Public Schools includes:

- » A digital marquee, parking lot repaving, and exterior lighting improvements;
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
