Peary Elementary School is a multicultural and diverse learning community preparing each scholar for academic, social, and personal success by providing a safe, supportive, rigorous environment.

**MISSION**

Teachers at Peary work as a team to encourage growth and opportunities among their students. By sharing what works — and doesn’t — in their classrooms, teachers continually identify new ways to present ideas and help students reach new levels. This approach has led more than half of Peary’s students to meet or exceed their growth goals in the last academic year.

**ENCOURAGING STUDENT GROWTH**

Located in the Magic Circle neighborhood, Peary Elementary School is a focal point of this longstanding community and one of the fastest growing schools in the district. Many generations of neighbors have attended here to learn from our veteran teachers. They also enjoy our fully renovated school. Peary participates in the Food for Kids Backpack Program, which provides nutritious, kid-friendly food for students to take home on Fridays after school. In addition, our school offers a clothing closet and food pantry for families to get the resources they need to thrive.

CLUBS AND PROGRAMS

FAMILY ENGAGEMENT
Families value the opportunities to engage with our Peary community, and we never want language to be a barrier. Bilingual staff as well as our Parent Involvement Facilitator ensure Spanish-speaking families feel connected through interpretation and translated newsletters, emails and letters in addition to being on call to answer any questions. Our 3 English Language Development (ELD) teachers provide additional support for native Spanish-speaking students both one-on-one and inside the classroom.

EDUCATING THE WHOLE CHILD
Creating high-quality learning experiences means educating the whole child by meeting his or her social, emotional, and academic needs. Social and emotional learning (SEL) is the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions.

With strong social and emotional skills, our students will be able to set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

TULSA PUBLIC SCHOOLS AT-A-GLANCE
Our mission is to inspire and prepare every student to love learning, achieve ambitious goals and make positive contributions to our world.

81 Schools and public charters
23 Schools offering career and technology education programs
3 High schools nationally ranked in the US News and World Report
7 Schools with dual language programs
