MISSION
Our mission is to inspire and prepare every student to love learning, achieve ambitious goals and make positive contributions to our world.

A THRIVING DUAL-LANGUAGE PROGRAM
Sequoyah Elementary proudly offers a one-way Dual-Language Program to our native Spanish-speaking students, which helps them build fluency and comprehension through daily interactions in both English and Spanish. Students enrolled in this program learn to read first in Spanish. Then, they spend equal amounts of time studying Language Arts in English and in Spanish. Math is taught in English, and Science and Social Studies are taught in Spanish.

In addition to having bilingual staff, we work with Communities in Schools to help Spanish-speaking families feel connected and engaged in our school. Parents also have access to translation equipment at our assemblies to ensure they don't miss those special opportunities to celebrate their students' successes.

Enrollment data from October 1, 2019.
STRONG COMMUNITY PARTNERS

Sequoia Elementary is part of the Growing Together Network made up of many community partners that support developing students academically, socially and emotionally to reach their full potential. In addition, Williams provides each grade level with the opportunity to take a field trip at the end of the school year. This valuable community partner also sends volunteers every Tuesday to Sequoia's after-school Bike Club. At the end of the year, these volunteers take the students on a bike tour through downtown Tulsa where they have the opportunity to use the safety skills they've learned throughout the year.

HIGH PARENT INVOLVEMENT

We love to see our parents get involved with our students' learning, because we know that a parent is a child's first teacher. We host various events throughout the year to keep parents engaged and up-to-date on their students' progress. Some of our events include monthly Family Literacy Nights, Thanksgiving Dinner and family picnics in the spring. We are here to work alongside parents to help our students reach the highest success possible.

Pending Board approval of the Jan. 6, 2020 proposed changes to grade configurations, Sequoia would serve grades pre-K through 5 in the 2020-2021 school year. Students in the Sequoia neighborhood entering 6th grade in 2020-2021 would have Monroe Demonstration Academy as their school of right. Students would also have preference to attend 6th grade at Rogers Junior High School.

TULSA PUBLIC SCHOOLS AT-A-GLANCE

Our mission is to inspire and prepare every student to love learning, achieve ambitious goals and make positive contributions to our world.

- 81 Schools and public charters
- 23 Schools offering career and technology education programs
- 3 High schools nationally ranked in the US News and World Report
- 7 Schools with dual language programs
- 1 Public Montessori school
