ENROLLMENT & ADMISSIONS

In accordance with A.R.S. §15-184, ALA accepts all students who submit a timely application unless the number of applications exceeds the capacity of a program, class, grade level, or building. Enrollment preference is given to the following students:

- Students returning in the second or subsequent year of enrollment, including siblings of students already enrolled at ALA;
- Children or grandchildren of employees and board members;
- Transfer students within the ALA network of schools; and
- Students qualifying for the McKinney Vento program.

ALA does not limit admission based on race, ethnicity, national origin, religion, gender, gender identity, income level, disability, English proficiency or athletic ability.

ALA may refuse to admit any student expelled or awaiting expulsion from their previous school (*see* A.R.S. §15-184(i)).

ALA's Enrollment and Lottery Policy is available upon written request and supersedes any other previously established enrollment policy. Please refer to ALA's Enrollment and Lottery Policy for additional information.

APPLICATION PROCESS

Applications may be submitted during the open enrollment period, prior to the start of each school year. Open enrollment dates for the upcoming school year will be posted on the school's website and the front office of each campus.

Application forms can be accessed at the school's website, or at the front office of each campus. All applications must be complete to be considered received. Applications will be time-stamped upon receipt.

Following notification of acceptance, students have ten business days to confirm acceptance and complete all necessary documentation provided to student by ALA. Failure to complete the necessary documentation within this timeframe may result in loss of priority. Complete documentation is necessary to ensure proper course placement.

The enrollment process will be considered complete when parents/legal guardians have submitted an electronic enrollment form, proof of residency form, student immunization records, student birth certificate, or other required documents pursuant to A.R.S. §15-828. ALA may require parents/legal guardians to submit additional documentation including, but not limited to, custody agreements, affidavit of homeschool instruction, ESEA form, Special Education IEP, MET, etc.

Any false statement or omission of information on enrollment documents (interest forms or enrollment forms), including falsely indicating priority eligibility, may result in revocation of enrollment offers.

KINDERGARTEN ENROLLMENT POLICY

Children must have reached their fifth birthday on or before August 31st of the current school year ("Regular Kindergarten Enrollment"). Students who have a birthday after August 31st and on or before December 31st must pass an aptitude proficiency test in order to be enrolled into the kindergarten program ("Early Kindergarten Enrollment"). Early Kindergarten Enrollment will be permitted on a case-by-case basis by a determination of campus administration that is based on the results of the aptitude proficiency test and on the best interest of the child. Students that turn five after December 31st of the first year of enrollment shall not be admitted to American Leadership Academy. We will not enroll Early Kinder students after the 10th day of classes in a school year.

AMERICAN LEADERSHIP ACADEMY

If there is a wait list, students with a birthday before September 1 will be given priority over students with a birthday after September 1. Regular Kindergarten Enrollment students with older siblings already enrolled at ALA will have priority. Early Kindergarten Enrollment students with older siblings already enrolled at ALA will have priority over Early Kindergarten Enrollment students that do not have siblings already enrolled at ALA. Both Regular Kindergarten Enrollment and Early Kindergarten Enrollment students are subject to relevant additional stipulations of American Leadership Academy's adopted Enrollment Policy.

KINDERGARTEN RETENTION POLICY

A student may be retained at the sole discretion of School Administration, based on the recommendations of staff and parents/legal guardians. Retained students will remain kindergarten students and will attend class in a kindergarten classroom.

STUDENT RECORDS

In accordance with ALA's Enrollment and Lottery Policy, all documentation generated by the school via the school's Student Information System (SIS) will contain the full legal name and gender of the student as listed on the student's official birth certificate. Such documentation may include, but is not limited to, official transcripts, report cards, school correspondence, attendance reports, etc. Notwithstanding the above, school staff will, upon request, refer to the student by a nickname sanctioned by the student and his/her parents/legal guardians.

CUSTODY ISSUES INVOLVING ENROLLMENT & STUDENT RECORDS

ALA will not involve itself in custody disputes or negotiations.

If a student's parents have shared or joint legal custody of the student and they disagree about the student's withdrawal from ALA, the school will not withdraw the student until both parents come to a written agreement regarding school attendance and present the written agreement to the school.

Unless otherwise provided by a court order or law, on reasonable request, both parents are entitled to equal access to information concerning their child's education including school records. *See* A.R.S. §25-403.06(A). It shall be the responsibility of the parents to provide school officials with a current copy of any custody orders and/or parenting plans. The school will follow the most current valid documents on file.

In cases in which a person other than the parent has been granted guardianship, the legal guardian shall be responsible for notifying school officials of the conditions of the guardianship and for providing school officials with all pertinent written documentation.

REQUESTS FOR TEACHERS AND/OR CLASS

For students in grades K-6, ALA does not allow parents/legal guardians to request a teacher and/or class. Student placement decisions will be made at the sole discretion of School Administration.

SCHEDULE CHANGES

Schedules may be changed during the first two weeks of the school year in the following instances:

- Missing a period in schedule
- Incorrect placement
- Lacking a prerequisite
- Missing a course needed for graduation
- Missing a lunch period

AMERICAN LEADERSHIP ACADEMY

Notwithstanding the above, School Administration may need to change a student's schedule due to extenuating circumstances (e.g. addition of teaching staff).

ATTENDANCE

All students are required to attend school each day school is in session. For grades K-6, attendance is taken promptly at 8:00AM and again in the afternoon. When a student is absent, it is the responsibility of the parent/legal guardian to notify the school by calling the appropriate school attendance phone number listed below. Parents/legal guardians must notify the school within 24 hours of the absence in order for the absence to be considered "excused." The attendance voicemail is available 24 hours per day. Sending an email directly to a student's teacher will not be considered proper notice. Failure to provide timely notice to the school will result in the absence being coded as "unexcused."

ATTENDANCE EXTENSIONS		
Campus	Phone Number	Extension

San Tan Valley	(480) 420-2100	1400
Signal Butte	(480) 344-9893	2400

The school will make a reasonable effort to telephone and notify the parent/legal guardian of students who are showing as unexcused.

ABSENCES

An absence will be considered excused when due to an illness, doctor/dental appointments (a note may be required), religious observances, family emergencies (death, court appearance, etc.), and/or out-of-school suspensions. Excused absences due to out-of-school suspension must not exceed 10% of the instructional days scheduled for the school year. Documentation is required prior to absences for religious observances, see the front office for details. Family vacations and extended holidays outside of scheduled school breaks will be considered unexcused, unless receiving prior authorization by an Administrator with plans to complete all classwork within the excused timeframe.

In order for absences relating to illness (including chronic illness), doctor appointment, bereavement, family emergencies, or Administrator approved family vacation to be counted as excused absences, the school must be notified in advance or at the time of any absence by the parent or other person who has custody of the student per A.R.S. §15-807(B). The school will document the date, reason, and person reporting the absence.

Pursuant to A.R.S. § 15-803(A)(2), in order for any of the above absences to be excused, a child who is under 16 years of age must be accompanied by a parent, guardian, or a person authorized by a parent.

According to the Arizona Guidelines and Procedures for Attendance, School Finance Manual, Revision 06-18 and ARS 15-901, students absent for ten consecutive school days, except for excused absences identified above, shall be withdrawn from the school effective the last day of attendance or reported excused absence.

AMERICAN LEADERSHIP ACADEMY

Pursuant to ARS 15-803(B), absences, unexcused or excused, may be considered excessive when the number of absent days exceeds 10% of the instructional days.

*Be advised, students re-enrolling in subsequent years following an Attendance Contract will lose priority enrollment status and will be relegated to enrollment as a first-year student.

*Exceptions: Absences or tardiness resulting from a chronic illness and explicitly addressed on a current Chronic Illness Form and physician's note will be marked as excused absences. (This does not apply to absences or tardiness for reasons other than the chronic illness.) The school must be notified in advance or at the time of any absence by the parent or other person who has custody of the student. When notifying the school of absences, parents/legal guardians must state whether the illness is related to the student's chronic illness as documented on the chronic illness form. Chronic illness documentation needs to be provided as soon as possible to the Health Office. Parents/legal guardians must submit an updated chronic illness form for their child each academic year. Please contact the school Front Office for more information.

Students who are absent from school more than 50% of the day of an activity may not attend activities planned on that day, such as, but not limited to; after school events/parties or extracurricular activities.

TARDINESS

Students should be in their classroom and in their seats when class begins. Students who fail to arrive to school or class on time are considered tardy. The Director or Assistant Director is responsible for enforcing disciplinary action against a student any time he/she is tardy. In some cases, tardy students may be marked absent. Excessive tardies, excused or unexcused, may result in detentions, Saturday school, in-school suspensions, meeting with Administrators/Attendance Contract, loss of eligibility for extracurricular activities, or further administrative action.

A tardy may be considered excused when due to an illness, doctor/dental appointments, religious observances, or family emergencies (death, court appearance, etc.), or circumstances beyond a student's control. A note from parent/legal guardian may be required. Parents/legal guardians may be notified via email of each unexcused tardy, and, if necessary, by telephone as required by law.

RELEASE FOR RELIGIOUS INSTRUCTION

Federal and State law allows students to be released from regular instruction for religious purposes, including participation in religious exercises or religious instruction. Students do not receive credit from ALA for religious instruction and the religious instruction must **not** take place on property owned by ALA. ALA is not affiliated with any organization providing religious instruction or exercises, and once students leave the ALA campus the school no longer has legal control over the students. However, disciplinary procedures may still apply.

Documentation, including written consent from parent/legal guardian, is required prior to absences for religious observance, see the front office for details.

CHECKING STUDENTS IN/OUT OF SCHOOL

Any student arriving late to school must be checked in by a parent/guardian or authorized representative. This also applies when checking a student out of school. School Administration exercise caution in releasing students during the school day. If a student must be checked out of school prior to the end of the school day, parent/legal guardian is required to personally sign their child out before leaving the campus. Parent/legal guardian must present a valid government-issued ID at the front office to verify their identity. Only authorized persons listed in Infinite Campus may check students in or out of school.

AMERICAN LEADERSHIP ACADEMY

Please be aware that students who are checked out before a certain time may be marked absent for half or all of the school day in accordance with state instructional minutes guidelines. As a matter of policy, students are prohibited from leaving campus within 15 minutes of the end of the school day (unless there is an emergency).

In the event of illness, parents or emergency contacts will be responsible to pick up their children immediately upon being contacted by the school health office. Please keep the school office updated with current phone numbers and emergency contact information.

STUDENTS ON CAMPUS

Under no circumstances may students remain on campus unsupervised. Per ALA policy, students are permitted on campus no earlier than 7:30 AM. If students arrive before 7:30 AM, they will not be allowed inside the building or within the gates of the campus. Students are to vacate campus after the final bell unless involved in an authorized activity such as tutoring or other after school program. Parents/legal guardians should pick up their child/children within 20 minutes after the end of the school day. Students unaccompanied by a parent/legal guardian will be escorted to a designated waiting area. This includes siblings of students who are involved in an authorized activity but who themselves are not part of that group or activity.

CLOSED CAMPUS POLICY

Student safety is one of ALA's top priorities and therefore ALA maintains a closed campus. Students are prohibited from leaving campus for any reason during school hours or during after-school activities, unless excused or accompanied by the adult supervisor of that activity.

Persons who come onto campus without official business are considered to be trespassing. All visitors to the school must come directly to the campus front office where they must sign in and obtain an official school visitor's pass to wear visibly on their outer clothing. Please review ALA's Visitor Policy for more information.

DROP-OFF/PICK-UP

Parents/legal guardians are responsible for safely transporting students to and from school. Carpools are strongly encouraged. ALA is not responsible for carpools and assumes no liability for matters related to the organization, management, or execution of car pools.

Substitute Rides Home: ALA accepts no responsibility for students getting substitute rides home in their carpool. Parents/legal guardians should ensure their child(ren) knows whom they are riding with before the school day begins.

STUDENT DISCIPLINE

STUDENT CODE OF CONDUCT

Students are expected to abide by all ALA policies and procedures. The discipline plan at ALA reflects the RAISE Leadership Values. Students are expected to be self-governed and to respect the rights and property of others. ALA students should conduct themselves with courtesy, refinement, and professionalism throughout the school day and any time they represent ALA in extra-curricular activities, field trips, or any other school sanctioned event. Students who break this trust will be restricted from extra-curricular activities and may receive additional discipline as necessary.

PROGRESSIVE DISCIPLINE POLICY, CONDUCT & CONSEQUENCES MATRIX

School rules are designed to protect all students and foster an environment of order and discipline. It is important that parents/legal guardians and students understand the consequences of misbehavior. School Administration enforces adherence to school rules, policies, and procedures using a progressive discipline system. School Administration has discretion with respect to its enforcement authority. When considering disciplinary action, School Administration will seek to balance the severity of the conduct and the resulting discipline using the CCM which can be found at www.alaschools.org.

The CCM includes a list of common and/or serious student conduct violations along with a range of recommended consequences. The violations and range of consequences are meant as guidelines, unless the law or circumstances warrant imposing an alternative consequence, as determined in the sole discretion of School Administration.

Serious violations such as possession of a firearm or dangerous weapon, sexual abuse or any other abuse, possession of alcohol/illegal drugs will automatically be reported to law enforcement and/or the Arizona Department of Education.

POLICY PROHIBITING STUDENT HARASSMENT, INTIMIDATION, BULLYING, AND HAZING

Students are prohibited from harassing, intimidating, bullying, or hazing other students on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums or mailing lists.

All students, teachers and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy.

DEFINITIONS

HARASSMENT: Intentional disruptive or threatening behavior by a student to another student; includes, but is not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact, unwelcome verbal or written comments, photographs and graphics; harassment, direct or indirect, may be related, but not limited to, race, religious orientation, sexual preference, cultural background, economic status, disability, size, or personal appearance.

INTIMIDATION: Intentional behavior by a student or group of students that places another student or group of students in fear of harm of person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by use of social media.

BULLYING: Unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying behavior is meant to hurt another person and is carried out by someone who is seeking power or control over another person. There are multiple forms of bullying – physical, emotional and social. These can be carried out in person or through cyberbullying. Any bullying, on or off campus, which disrupts the learning environment will receive an immediate consequence – up to and including expulsion.

CYBERBULLYING: Any act of bullying committed by use of electronic technology or electronic communication devices, including telephonic devices, social networking and other Internet communications on school computers, networks, forums and mailing lists, or other District-owned property, and by means of an individual's personal electronic media and equipment.

AMERICAN LEADERSHIP ACADEMY

HAZING: Any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, in which both of the following apply: (1) The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any organization that is affiliated with an educational institution, and (2) The act contributes to a substantial risk of potential physical injury, mental harm or degradation or causes physical injury, mental harm or personal degradation.

A person is considered a “student” who has enrolled, who has been accepted for enrollment, or intends to enroll within the next 12 calendar months. This policy applies to all students until graduation, transfer, promotion, or withdrawal from the school.

“Organization” means an athletic team, association, order, society, corps, cooperative, club or other similar group that is affiliated with ALA and whose membership consists primarily of students enrolled at ALA.

PROCEDURES

Pupils and parents/legal guardians may make confidential reports to the Director or Assistant Director, or any other professional staff member, of any incidents of harassment, intimidation bullying, or hazing. ALA Staff are required to submit written reports of harassment, intimidation, bullying, or hazing to their Director or Assistant Director. Staff members shall preserve the confidentiality of those involved, and may only disclose the incident to the Director or Assistant Director, or other supervisor, or as otherwise required by law. Any instance of reported or observed hazing which includes possible child abuse or violations of state law known to the staff member shall be treated according to relevant state law and reported to a law enforcement agency. ALA Staff members will be subject to disciplinary action for failure to timely report allegations or observations of harassment, intimidation, bullying, or hazing to the Director or Assistant Director. Written complaint forms are available at each campus.

The Director or Assistant Director, in consultation with the Campus Director or Assistant Director, will determine whether an alleged act constitutes a violation of this policy. The Director or Assistant Director shall conduct a prompt and thorough investigation of the alleged incident, including but not limited to meeting with the person who reported the incident. The Director or Assistant Director may conclude that the alleged violation occurred or did not occur, or that the evidence is inconclusive. Once the investigation has been closed, the Director or Assistant Director will meet with the person who reported the alleged incident to discuss the investigation and conclusions. Confidentiality of records and student information related to disciplinary actions, if any taken, shall be observed in the process of meeting with the person who reported the incident. The Director or Assistant Director shall prepare a written report of the findings and a copy of the report shall be provided to the Chief Operating Officer K-6 (“COO K-6”) or Chief Academic Officer (“CAO”). If the Director or Assistant Director concludes that the alleged violation did not occur or that the evidence is inconclusive, no written report of the matter will be maintained in a student’s file.

Persons that disagree with the Director’s or Assistant Director’s determination may appeal his/her decision by submitting a written appeal to the COO K-6 or CAO. The COO K-6 or COO shall review the written appeal and issue a final determination in a timely manner.

CONSEQUENCES

Hazing is prohibited and will not be tolerated.

Any solicitation to engage in hazing is prohibited and will not be tolerated.

Aiding and abetting another person who is engaged in hazing is prohibited and will not be tolerated.

It is not a defense to a violation of this policy that the hazing victim consented to or acquiesced in the hazing activity.

Students who commit acts of harassment, intimidation, bullying, or hazing will face consequences up to suspension or expulsion. When considering disciplinary action, the Director or Assistant Director will seek to balance the severity

AMERICAN LEADERSHIP ACADEMY

of the conduct and the resulting discipline using the *Conduct & Consequences Matrix* (“CCM”) which can be found at www.alaschools.org. All suspected violations of law will be reported to local law enforcement.

Disciplinary action may result for acts of intimidation, harassment, bullying, or hazing which occurs outside of the school and the school day when such acts result in substantial physical, mental, or emotional negative effect on the victim while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of ALA to maintain order.

ALA prohibits retaliation against any person who reports an act of harassment, intimidation, bullying, or hazing. Students that engage in retaliation for reported violations of this policy will be subject to appropriate disciplinary action per the CCM.

An Organization that knowingly permitted, authorized or condoned harassment, intimidation, bullying, or hazing activities will face revocation or suspension of the Organization's permission to conduct operations at ALA.

Any teacher or staff member who knowingly permitted, authorized or condoned the harassment, intimidation, bullying, or hazing activity is subject to disciplinary action up to termination.

SEARCH & SEIZURE

School Administrators have the authority to conduct searches when they have a reason to suspect that the search will uncover evidence that a violation of school policy has occurred or that a law has been violated. Administrators may search student desks, cell phones, computers/laptops, tablets, smart watches, other electronic items, lockers, backpacks, vehicles, purses, or other personal belongings when reasonable suspicion exists and in order to determine if a school violation has occurred or a law has been broken. Items provided by ALA for storage (e.g., lockers, desks) of personal items are provided as a courtesy to the student, but remain the property of the school and are subject to its control and supervision. Therefore, students have no reasonable expectation of privacy in relation to those items.

UNIFORM DRESS CODE POLICY

In accordance with A.R.S. §15-342(22), ALA’s school governing board requires students to wear uniforms to school to support the school’s mission. Compliance with the uniform dress code is mandatory. To attend class, all students must be in compliance with all aspects of the Uniform Dress Code Policy. Furthermore, the Uniform Dress Code Policy applies when students are riding the school bus and when attending extra-curricular events.

In general, students must present a clean, modest and neat appearance. Clothing must be worn right side out, of appropriate size and worn correctly. Clothing shall not have holes or be intentionally torn. Clothing items must be one solid color.

Throughout the school day and at extra-curricular events, ALA Staff will conduct a dress code check to ensure the students are in compliance. ALA Staff have authority to determine whether clothing is inappropriate or a distraction. When students are deemed to be out of compliance, the following discipline policy will apply, at the discretion of ALA Staff:

- The school may notify parents/legal guardians and require parents/legal guardians to bring compliant clothing to school for their child; and/or
- Students may receive a yellow card; and/or
- Repeat violations will result in further school discipline; and/or
- Consequences described in the *Conduct & Consequences Matrix* (“CCM”).

DRESS DOWN DAY(S) / SPIRIT DAYS

AMERICAN LEADERSHIP ACADEMY

From time to time, students may be allowed to have a dress down day or a spirit dress day (e.g., themed dress day). In general, students must present a clean, modest and neat appearance. Clothing must be worn right side out, of appropriate size and worn correctly. On themed dress days, students must either dress in the designated theme or be in standard ALA uniform dress code. In all cases, Administration reserves the right to determine whether a student is complying with ALA dress code. Guidelines for dress down days will be distributed by campus administration.

SPECIAL EVENTS

Throughout the year, events may occur that warrant special dress up days. Departures from standard school dress code may be approved by administration in these instances. Below, find examples of appropriate dress for these occasions (Please note that these items constitute guidelines and not a comprehensive code. Further instructions and/or restrictions may be given by administration relevant to the particular event.)

- Dress-up attire for girls consists of a conservative and modest blouse/skirt/pants or dress. All skirts and dresses must be knee length or longer and may not be tight or revealing in any way. Midriffs must be covered, and blouses may not be low-cut.
- Dress-up attire for boys consists of long-sleeve, button-up, collared dress-shirt with a conservative tie, and dress slacks with a belt.

Note: Dress-up days are not required. As such, if a student does not have proper attire to “dress-up” no undue burden is placed on them to purchase dress-up compliant attire. Standard ALA dress-code is acceptable. Likewise, dress-up days are a privilege, not a right. If student(s) are not appropriately dressed they will be denied admittance to the event.

ACADEMICS

The curriculum at ALA is fully aligned to the Arizona K-12 State Standards. To view the Arizona academic standards, please visit the Arizona Department of Education website at <http://www.azed.gov/standards-practices/>. The curriculum for American Leadership Academy is updated frequently based on changes to state standards as well as input from teachers and student assessment outcomes. If you have any questions regarding your child’s curriculum, please contact your child’s teacher or your campus administrator.

STATE MANDATED ASSESSMENTS

Students in **grades 3- 8** will take AzMERIT in English language arts and mathematics at their grade level once in the Spring.

AIMS Science will be administered to students in **4th and 8th grade**.

OTHER ASSESSMENTS

Gifted Assessments: K-12th grade students that are referred for Gifted services are administered the CogAT gifted assessment. The CogAT is administered once in the Fall and once in the Spring. To register your child for an upcoming CogAT administration, please contact campus administration.

Lexile Reading Level: As part of our reading intervention and enrichment program, students in grades K-12 are assessed on reading fluency and comprehension and provided with a Lexile reading level. Using this data, the adaptive software programs, Smarty Ants (K-2) and Achieve3000 (3-12) provide grade-appropriate instruction to ensure that students are reading and writing at or above grade level. For more information on Lexile levels, please visit: <https://lexile.com/>.

Final Exams/Midterms: Students may not take final exams prior to the time they are scheduled. Students who are absent during semester final exams will receive an F for the final exam. In order for the grade to be changed, students must take the final exam within the first two weeks of the next semester as arranged through administration.

INSTRUCTIONAL TIME

ALA teachers maximize the effective use of every minute of instructional time. Please help minimize distractions during instructional time by leaving messages, money, materials, etc. with the front office. The front office will deliver all messages and materials to the student. Only in instances of extreme emergency will front office staff interrupt core instructional time to deliver a message or materials. Please schedule your child’s personal appointments outside of the instructional day.

GRADE REPORTS

Parents/legal guardians are able to view student progress in their courses through the Infinite Campus Parent Portal. Parents/legal guardians have the ability to print all grade reports through their Parent Portal. If you require assistance with obtaining a paper copy of a grade report, please contact your front office manager.

HOMEWORK

ALA believes that meaningful homework is integral to the learning process and should be provided at all grade levels for the following purposes:

- To provide additional practice on previously learned skills
(For example: completing math drills & problem sets, reading, researching and/ or writing).
- To enrich the learning experience
(For example: sharing ideas with parents/legal guardians or using creative thought to complete a project or assignment).
- To provide students the opportunity to complete unfinished class assignments or make-up work

AMERICAN LEADERSHIP ACADEMY

due to absences.

Your child's teacher will provide clear expectations on all homework assignments. Concerns related to homework should be directed to your child's teacher and campus administration.

MAKE-UP WORK

Homework that is due the day that a student is absent is due upon return. Assignments missed due to an absence will be given an equal number of school days to complete assignments. Missed assignments may be picked up at the end of the school day. Students or parents/legal guardians must request make-up work 24 hours in advance of pick-up.

TEST RETAKES

All students will be given multiple opportunities to demonstrate proficiency with all Priority Standards for each class, recognizing that students learn at different rates and times.

For a student to retake a specific assessment, either in whole or in part, the student needs to:

- Demonstrate readiness to retake, through a study plan, additional practice, and/or parent communication (A study plan may vary teacher to teacher, but needs to include the priority standard(s) being reassessed, and identify what practice or additional study the student needs to do before retaking the assessment)
 - Work with the teacher to schedule a time to retake the assessment at a time that will best meet the needs of both the teacher and student (Such as during class, before or after school, or during lunch)
 - Retake the assessment within the grading period it was first given (exceptions will be made for extended absences or other exceptional circumstances)
 - Retakes of specific assessments must allow students to demonstrate mastery of the standard, not memorization of a previous assessment (In other words, students will not just be given the same test again)
 - Teachers will provide reteaching for both retakes and additional assessments
-

TUTORING

Teachers are available before and after school to assist with assignments. Please contact your child's teacher for a specific time to meet, as needed.

PROMOTION/RETENTION

Students at the K-8 level will be promoted if they are able to succeed at the next grade level. School Administration and the classroom teacher(s) will work closely together when formulating recommendations for students. Recommendations will be formulated using the following information:

- Age
- Social and emotional maturity
- Attendance
- Mastery of grade level standards
- Course grades

If it is in the best interest of the student to be retained, the parent/legal guardian, teacher and School Administration will work in close cooperation to set up the student for success in the next school year. Ultimately, the teacher will

AMERICAN LEADERSHIP ACADEMY

have final say on whether the student will be retained.

Such decisions, when applied to students enrolled in special education, shall be on a case-by-case basis, consistent with the student's individualized education plan and relevant federal and state law.

MOVE ON WHEN READING (“MOWR”)

Pursuant to A.R.S. § 5-701, a student may not be promoted to the fourth grade if the student scores Minimally Proficient on the AzMerit Reading Assessment, Reading Fluency Measures. There are four good cause exemptions to retention for 3rd grade students who fail to meet the MOWR cut score. These apply if a student:

- Is an English learner or a limited English proficient student and has had fewer than two years of English language instruction; or
- Is in the process of a special education referral or evaluation and/or student has been diagnosed as having a significant reading impairment, including dyslexia; or
- Has an identified disability and has an IEP and the IEP team (including parent/legal guardian) agrees that promotion is appropriate; or
- Has demonstrated or subsequently demonstrates sufficient reading skills or adequate progress towards sufficient reading skills of the 3rd grade reading standards as evidenced through a collection of reading assessments approved by the State Board.

ACCELERATION

Grade placement acceleration will be decided on a case-by-case basis after careful consideration of facts relating to the student's growth and development. Grade acceleration must be approved by the Campus Director and shall be based on:

- The best interest of the student;
- Sufficient data collected over time and related to the student's academic achievement level, physical development, social development, and mental abilities; and
- Close cooperation between the parents and relevant school staff.

The Campus Director shall have final say on decisions regarding the acceleration of students. Parental consent to grade acceleration should be in writing and maintained in the student's educational file. If a parent disagrees with the Campus Director's decision regarding grade acceleration, they may appeal the decision to the Chief Academic Officer.

HOMEBOUND INSTRUCTION

ALA provides access to a certified teacher as well as core content for students who are eligible for homebound instruction. To be eligible, a homebound application must be completed to include certification from a physician (MD or DO) that a student will be absent for three months or more due to a medical condition. If you believe that your student is eligible for homebound instruction, please contact your campus administrator.

AMERICAN LEADERSHIP ACADEMY

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are held once in the first semester. During this time, parents/legal guardians are provided with the opportunity for a one-on-one meeting with their child's teacher to discuss progress, celebrations, and concerns. In the second semester, student-led conferences are held to allow students the opportunity to discuss their progress and celebrations with their parents/legal guardians and teachers. Parents/legal guardians that are concerned about their child's progress may schedule a meeting with their child's teacher and campus administration prior to or in-between these conference dates.

GIFTED STUDENTS

The gifted services provided at American Leadership Academy strive to maximize gifted students' potential, develop individual talents, and challenge these students throughout the school day. Students who are identified as gifted at K-6 grade levels participate in differentiated instruction in the regular classroom as well as pull-out services two to three times per week. Students are given opportunities to accelerate if the school and family believe it is in the best interest of the student based on available data.

For additional information about ALA's gifted program, please call the district office at (480) 420-2101 or visit the school website at <https://www.alaschools.org/academics/gifted>.

ENGLISH LANGUAGE LEARNER ("ELL") PROGRAM

ALA's ELL program serves students who are second language learners and need assistance learning English. Additional supports are provided to ELL students in the areas of listening, reading, writing, and speaking. Eligibility for ELL services is determined using information provided by the parent/legal guardian or teacher as well as results from the English Language Learner state assessment ("AZELLA"). For additional information about ALA's ELL program, please call the district office at (480) 420-2101 or visit the school website at <https://www.alaschools.org/academics/english-language-learners-ell>.

STUDENTS WITH DISABILITIES

Special Education is available to students who are identified with a disability as indicated under the Individuals with Disabilities Education Act ("IDEA") and require specially designed instruction. The Individualized Education Program ("IEP") is a written program that outlines the special education services the student will receive. A continuum of services is available based on the needs of the student.

CHILD FIND

Child Find is a component of the IDEA. Child Find is the ongoing obligation of American Leadership Academy to locate, identify, and evaluate all children with disabilities who are in need of special education and related services within the enrolled population of the school.

Arizona Early Intervention Program ("AzEIP") provides early intervention support and services to families of eligible children by providing children ages birth to three (3) years the supports and services to achieve desired outcomes related to the children's needs. Contact AzEIP at 602-532-9960 or complete an online referral at www.azdes.gov/azeip if you have a child 0-3 years of age that you suspect may have a disability.

AMERICAN LEADERSHIP ACADEMY

If you have a child aged 3-5, who is not enrolled in kindergarten, contact your local public school to learn about preschool evaluation procedures.

Special education services are available for school-age children in kindergarten through the age of 21, including specialized instruction and services to assist children in the education environment. Contact your local public school if you have a school age student that you suspect may have a disability.

STUDENTS WITH DISABILITIES PROTECTED BY SECTION 504

Section 504 of the Rehabilitation Act is a civil rights statute designed to help prevent discrimination against individuals with disabilities and to assure that students with disabilities have educational opportunities and benefits equal to those provided to non-disabled students.

In any program offered by ALA:

- A student is protected by Section 504 if he/she has or has had a physical or mental impairment that substantially limits a major life activity, has a record of such impairment or is regarded as disabled by others.
- ALA will identify, evaluate, and provide a free appropriate public education to all qualifying students with disabilities under Section 504.
- ALA will ensure that no otherwise qualified individual with disabilities, shall solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any ALA program or activity.

If you believe that your child has a disability that would qualify him or her for Section 504 protections, contact the Section 504 coordinator on your child's campus. For more information, please contact the ESS Department at the district office: (480) 420-2101.

HEARING AND VISION SCREENINGS

The purpose of various screening programs conducted in schools is to identify students who may have a potential problem which could negatively affect their learning or overall health and to then refer these students for necessary follow-up care.

Hearing and vision loss may interfere with a child's ability to learn and function in society. State and federal laws, including A.R.S. §36-899.01-.10, require that schools establish hearing evaluation and vision screening programs to identify students in need of further hearing evaluation, vision screening, and appropriate intervention.

The state mandates grades K, 1, 2, 6, 9, and Special Education students be hearing screened each year. ALA will have trained personnel or will contract with a certified company to perform all hearing screens and re-screens. Parents/legal guardians will be notified of the results and will receive a Hearing Follow-up Letter for Referral (Appendix H-2) which encourages them to see their health care provider for further evaluation.

State law requires ALA to provide vision screening services to students in grades prescribed by the Department of Health, students who receive or are being considered for special education services and who have not been screened in the last year, students who are not reading at grade level by third grade, and students who have not been screened in the last year and whose teacher has made a request for the student to be screened. Vision screenings will be done

AMERICAN LEADERSHIP ACADEMY

by a school nurse, volunteer, or other school employee who has undergone training. As with hearing screening, the vision screening process involves screening, re-screening as necessary, referral as necessary, follow-up, and implementation of any necessary student accommodations. Parents/Legal Guardians will be notified of the results and will receive a Vision Follow-up Letter for Referral (Appendix H-3) which encourages them to see their health care provider for further evaluation. Vision screening is not equivalent to a comprehensive vision examination, which only an eye care professional can provide.

A Hearing & Vision Opt-Out Form (Appendix A-5) is available on the school website under Enrollment Forms and is included in the enrollment process. Parents/legal guardians have a right to refuse the hearing and vision screens.

ILLNESS ADVISORY

ALA appreciates your cooperation in maintaining a healthy school environment. Please keep your child home from school if they have any of the following symptoms:

Fever/Temperature: Students that have a temperature of 100 degrees or higher should be kept home from school. Students may return to school **AFTER** being fever-free for at least 24 hours **without** the use of fever reducing medication such as Tylenol or Motrin.

Vomiting and/or Diarrhea: Please keep your child home until they are symptom free for at least 24 hours. Your child must be able to consume his/her regular diet without any problems.

Pink eye: Your child may return to school **AFTER** a full 24 hours of antibiotic or a doctor's note.

Strep-throat: Your child may return to school **AFTER** a full 24 hours of antibiotic treatment and fever-free.

Chickenpox: Please keep your child home until all blisters have formed scabs. Typically, children miss 5-6 days of school for the disease to run its course. Please notify the front office if your child has been diagnosed with Chickenpox.

Lice: Students with lice should **NOT** attend school until they have been treated. Before returning to class, the student along with the parent/legal guardian must do a lice check with the Health Aide.

IMMUNIZATIONS

Per A.R.S. §15-871 and A.A.C. §R9-6-701-708, before a child may attend ALA their parent/legal guardian must provide the child's immunization record to school staff. The immunization record is typically given to parents/legal guardians by their doctor or clinic, and must show the date each required vaccine dose was received as well as the signature or stamp of the health care provider.

Acceptable forms of immunization records to enter school include:

- A copy of the Arizona Lifetime Immunization Record.
- A copy of the vaccine administration record from the health care provider.
- A computer-generated immunization record from the Arizona State Immunization Information System (ASIIS) or from an immunization registry of another state.

AMERICAN LEADERSHIP ACADEMY

- A signed and dated Arizona School Immunization Record - [ASIR109R form](#) completed by a school the child has attended (a copy is acceptable).
- An immunization record generated by a school's immunization software system, as long as the school name, school address, school contact person, child's name, child's date of birth, and child's immunization dates are included.
- A signed and dated immunization record or school/child care immunization record from another state.

ALA IMMUNIZATION REQUIREMENTS

Authorized school personnel must review each child's immunization record(s) prior to or at the time of enrollment. Children must obtain required immunization(s) or sign a medical or personal belief exemption form prior to attending school or they may be excluded until (s)he is compliant with the requirements. If a child requires more than one dose of a specific type of vaccine, the child may continue to attend school during the minimum interval between doses. In the event of an outbreak of a vaccine-preventable disease, children who are exempt may be excluded from school until the risk period of exposure ends.

Varicella (Chickenpox): Students attending school in Arizona prior to 9/1/2011 with parental recall of chickenpox disease are allowed to continue attendance with parental recall of disease. Students enrolling for the first time after 9/1/2011 are required to present proof of varicella immunization or a valid exemption for medical reasons, laboratory evidence of immunity or personal beliefs. Parental recall of disease will not be accepted.

Please provide proof of completion of these immunizations to your campus health office as soon as possible.

STUDENT MEDICATIONS

Use or administration of medication on school premises may be disallowed or strictly limited if it is determined by the Campus Director, in consultation with medical personnel, that a threat of abuse or misuse of the medicine may pose a risk of harm to a member of the student population.

Students shall take extraordinary precautions to keep any medication or drug secure, and under no circumstances shall make available, provide, or give the item to another person. Students shall immediately report the loss or theft of any medication brought onto school campus. Violation may subject the student to disciplinary action.

PRESCRIPTION DRUGS

For occasions when it is necessary for a student to receive a prescription drug during the school day, the following procedure has been established to ensure the protection of the school and the student and to assure compliance with existing rules and regulations:

- All medication forms are to be updated ANNUALLY for each school year.
- Each prescription medication must be accompanied by a standing provider order (see Medical staff for form). This order contains the following information: the child's name; authorization for an ALA employee to administer by parent and provider; a release of information for purposes of clarifying the order along with route, dose, time, and medication details.

AMERICAN LEADERSHIP

ACADEMY

- The parent/legal guardian must provide written permission to administer the medicine to the student. Appropriate forms are available at each campus' health office. In the case of a minor student, administration of a prescription medication shall only occur on the written request or authorization of a parent or legal guardian, except in the case of an emergency.
- The parent/legal guardian must sign-in the medication at the campus health office in the original pharmacy container labeled with the child's name, date, medication, dosage, time and directions for administration at school. Students are prohibited from dropping off medication.
- ALL medication, including naturopathic remedies, must come to the campus health office in the prescription container as provided by the pharmacist. Written directions from the physician or pharmacist must be provided and must include the name of the patient, the name of the medicine, the dosage, and the time it is to be given.

 - The volunteer diabetes care assistant must provide ALA with a written statement, signed by an appropriately licensed health professional, that the voluntary diabetes care assistant has received proper training in the administration of glucagon, including the training specified in A.R.S. §15-344.01.
 - A school employee shall not be subject to any penalty or disciplinary action for refusing to serve as a voluntary diabetes care assistant.
- ALA, employees of ALA, and properly licensed volunteer health professionals and nurse practitioners are immune from civil liability for the consequences of the good faith adoption and implementation of policies and procedures pursuant to ALA policy and this regulation.

- Drugs must be kept in their original containers in a locked medicine cabinet.

AMERICAN LEADERSHIP ACADEMY

SELF-ADMINISTRATION OF PRESCRIPTION DRUGS

When the physician feels it is necessary for the student to carry and self-administer the medication, the physician shall provide written recommendations, to be attached to the signed parent/legal guardian permission form except in the case of medication for diagnosed anaphylaxis and breathing disorders requiring handheld inhaler devices. In these cases, the student's name on the prescription label is sufficient for the physician's recommendation.

The student's diabetes medical management plan provided by the parent or legal guardian shall be signed by the appropriately licensed health professional or nurse practitioner and shall state that the student is capable of self-monitoring blood glucose and shall list the medications, monitoring equipment, and nutritional needs that are medically appropriate for the pupil to self-administer and that have been prescribed or authorized for that student. The student must be able to practice proper safety precautions for the handling and disposal of the equipment and medications that the student is authorized to use under these provisions. The pupil's diabetes medical management plan shall specify a method to dispose of equipment and medications in a manner agreed on by the parent or legal guardian and the school.

The parent or legal guardian must provide written permission for the student to self-administer and carry the medication. Appropriate forms are available from the school office.

The medication must come in the prescription container as put up by the pharmacist.

OVER-THE-COUNTER MEDICATION

When it is necessary for a student to receive a medicine that does not require a prescription order but is sold, offered, promoted, and advertised to the general public, the following procedures have been established to ensure the protection of the school and the student.

ADMINISTRATION OF OVER-THE-COUNTER MEDICATION BY SCHOOL PERSONNEL

Written permission must be provided by the parent or legal guardian for the administration of specific over-the-counter drugs. These may be indicated on the health information form contained in the enrollment package. If there is no health information form on file, the parent/guardian will be contacted prior to administration of medication. Forms may be obtained on the school website or at the front office of each campus.

Any over-the-counter drug or medicine sent by the parent/legal guardian to be administered to a student must come to the school office in the original manufacturer's packaging with all directions, dosages, compound contents, and proportions clearly marked.

An administrator may designate a school employee to administer a specific over-the-counter drug.

Each instance of administration of an over-the-counter drug must be documented in Infinite Campus.

Over-the-counter drugs must be kept in their original containers in a locked medicine cabinet.

SELF-ADMINISTRATION OF OVER-THE-COUNTER MEDICATION

Written permission must be provided by the parent or legal guardian for the administration of specific over-the-counter drugs by the student.

Over-the-counter drugs or medicine sent by the parent/legal guardian to be administered by the student must be kept by the student in the original manufacturer's packaging, with all directions, dosages, compound contents, and proportions clearly marked.

AMERICAN LEADERSHIP ACADEMY

Necessity for self-administration of an over-the-counter drug or medicine shall be determined by the student's physician and must be verified by a signed physician's statement attached to the parent or legal guardian permission form, indicating the specific drug or medicine.

DISTRIBUTION OF OVER-THE-COUNTER MEDICATION

Students possessing authorized over-the-counter medications may not distribute or dispense medication to others. Failure to comply will be subject to the appropriate consequences under the CCM.

TEXTBOOK POLICY

Textbooks are assigned to students for the current school year only. Students are responsible for proper care of all books. Textbooks will be collected at the end of the year and are expected to be in good condition. Students will be charged for books damaged beyond normal wear. Books must be returned to ALA if a student withdraws from the school. Report cards may be withheld until all books are returned and/or fees paid.

SCHOOL FEES

All fees (busing, extra-curricular activities, course fees, lunches, and athletic fees) will be collected prior to participation in the event or activity. Failure to pay fees will result in removal from program. Students with unpaid fees may be designated as ineligible to participate in extracurricular activities until fees are paid. Fees may be paid by cash, check or online via Infinite Campus. Administration may waive fees, as appropriate, if enforcing the fees presents an economic hardship.

TAX CREDITS

The Arizona Public School Tax Credit is a program that allows Arizona taxpayers to contribute to the public school of their choice and receive a dollar-for-dollar credit on their state taxes. Married couples can donate up to \$400 and single filers can donate up to \$200 and receive the full credit from their state tax liability.

Tax Credit contributions support qualified programs and school supplies listed under ARS 43-1089.01, including but not limited to extra-curricular and athletic programs, including but not limited to field trips; acquiring capital items, including but not limited to furniture, furnishings, athletic equipment and other equipment, computer software, pupil and non-pupil transportation vehicles and equipment, textbooks and related printed subject matter materials adopted by the governing board, instructional aids, library books, administration emergency needs that are directly related to pupils; community school meal programs; student consumable health care supplies; and playground equipment and shade structures for playground equipment.

Every Arizona taxpayer can take advantage of the Arizona Public School Tax Credit and support ALA. **ALA asks every family to donate their Tax Credit and to invite their network of friends and family to do the same.** For more information, please contact your campus front office or visit the school website at <https://www.alaschools.org/tax-credit>.

EXTRA-CURRICULAR ACTIVITIES

Students at ALA have an opportunity to participate in a variety of extracurricular activities including, after-school sports, intramurals, supplemental education programs (Innovation Learning), or other activities where there are a sufficient number of interested students and coaches/faculty to supervise. A list of extracurricular activities available at each campus may be found online at www.alaschools.org or at the front office of each campus.

It is expected that ALA students will maintain acceptable behavior and abide by the Code of Conduct any time they participate in extracurricular activities, including but not limited to field trips. Failure to do so may result in suspension from extra-curricular activities and possible further consequences per the CCM. Additionally, certain activities require students to maintain a specific grade point average and to adhere to the policies and procedures of the relevant governing league/ruling body. Additional information can be found online at <https://alagnathletics.com>, <https://alawathletics.org>, <https://alacathletics.org>.

All extracurricular activities require participants to pay the requisite fee. A list of fees and fees waivers are available at the front office of each campus. Students with unpaid fees, that have not completed a fee waiver, may be designated as ineligible to participate in extracurricular activities until fees are paid.

FIELD TRIPS

Field trips are selected and approved when they support the learning outcomes within the classroom. Each child will be required to submit a signed parental permission slip and pay any necessary fee prior to the date of the field trip. Fee waivers are available at the front office. If a student is marked absent for that day, they will not be allowed to go on the field trip. Field trip refunds are not available. Students must ride the bus back to the campus at the end of the field trip before being allowed to sign out of school. Unless otherwise directed by teachers or administrators, students shall wear ALA uniform dress code for all field trips.

Chaperones may be charged an entrance fee to the activity if applicable. Siblings will not be allowed to attend the field trip with the chaperones. Chaperones may not be alone with students unless they are the parent of the student or possess and provide to ALA a valid IVP fingerprint clearance card.

FOOD SERVICES

ALA is committed to providing students access to healthy meals that meet the nutrition standards set forth by the Arizona Department of Education. It is the responsibility of parents/legal guardians to provide their children with a lunch. Lunches may be purchased from the school or brought from home. Menus can be found online at the school website or at the front office. ALA has a closed campus policy which means students are prohibited from leaving campus for lunch.

Breakfast items are available before school at the following campuses: Anthem, Signal Butte, San Tan Valley, and Ironwood Elementary. Grab and Go Breakfast is also available at these locations for students who may be running late or ride the bus. The cost for breakfast meals is \$2.25.

Students may also submit cash payment to campus front office staff. Students are encouraged to give their lunch money to the front office staff in the morning, so the money can be put into their account before lunch time.

SPECIAL MEAL PROGRAMS

Anthem, Signal Butte, San Tan Valley, and Ironwood Elementary participate in a federally subsidized program which offers free and reduced prices for breakfast and lunch to students who qualify based on family income. The reduced price is \$0.25 for breakfast and \$0.40 for lunch. Applications need to be submitted annually. To apply online, please visit your Infinite Campus - Parent Portal.

FOOD ALLERGIES

ALA is not an allergy-free school or a nut-free school. Food allergies must be reported to the front office. Students with severe allergies should complete an allergy action plan, which is available at the Health Office. Any questions or concerns regarding school lunches should be directed to the food service manager for that specific campus.

It is expected that volunteers, parents/legal guardians, students, and staff will respect the privacy of other individuals. Consequently, the secret recording (audio or video) of classes, meetings, or other conversations, including telephone calls, is strictly prohibited.

Volunteers, parents/legal guardians, students, and staff are also strictly prohibited from arranging for others to record conversations, telephone calls, or other ALA activities, unless written permission is received from all participants.

Downloading recorded conversations to a computer, uploading them to the internet, or otherwise sharing, transmitting or publishing such recordings without the prior written consent of all participants is prohibited.

In the annual enrollment/registration forms, parents/legal guardians must state whether or not they would like directory information released to post-secondary schools or military recruiters upon request. Parents/legal guardians have the option to opt-out at any time by providing written request to remove their student’s information from the directory. For additional information please contact the district office at (480) 420-2101.

CONFIDENTIALITY OF STUDENT RECORDS

ALA maintains student records for all students, including students with disabilities. In order to release records or personally identifiable information, parental consent or consent of an eligible student who has reached the age of majority under state law must be obtained before any information is released, except as permitted under the Family Education Rights and Privacy Act (FERPA). Confidentiality of personally identifiable information is protected by ALA at the collection, storage, disclosure, and destruction stages. Destruction of any education records of a child with a disability is done in accordance with IDEA regulatory requirements. For more information or to file a complaint, contact the Director of Exceptional Student Services at (480) 420-2101.
