Congratulations to all of this years Spelling Bee participants!

The winner of this years spelling bee was Samantha from 5JC and our 1st runner up was Lucas from 5C.

Samantha will represent WW in the Peoria County Spelling Bee
Congratulations!!

2020/2021 Kindergarten Registration Tuesday, 2/25/18 3:30-5:30 p.m.

If you have any neighbors who have children turning 5 by 9/1/20, please share the information. Required documentation to bring for registration day can be found on the Wilder-Waite website. A pre-registration has been added to the website soon.

Dear 2nd Grade Parents,

Families of current 2nd grade children must submit an updated dental examination form to the school office by May 15, 2020. The exam must be dated after November 15, 2018 and be on an Illinois dental examination form to be accepted.

Please submit at your earliest convenience.

If your child has already been to an appointment after 11/15/2018, you can simply take the form that was sent home to your dentist's office, and they will be happy to fill it out for you.

Next PTO meeting will be held on February 12th at 6:30pm in the community classroom

Medications

Medications may not be administered to students unless a medication authorization form has been filled out prior. This includes but is not limited to, prescription medication, as well as over the counter medicines i.e. Tylenol, cough drops, topical ointments etc.

Medication authorization forms are available in the Wilder-Waite office.

The end of the school year is approaching as hard as that is to believe! In preparing the children for advancement to the next grade level, kids are learning about responsibility, especially for kids making the transition to the middle school. Please remind your kids to bring their lunches to school everyday if they are cold lunch, have their shoes daily for gym class, and have chrome books fully charged and brought to school ready to begin the next school day.

Congratulations to all of our students who were celebrated this week with a pizza and treat luncheon. The student with the highest Student Growth Percentile (SGP) based on STAR testing in math and reading represented their grade level. The highest score indicates the greatest amount of growth in skills from August to January. We are proud of all of our students who are working to make the most of their learning everyday at Wilder-Waite!

Six Flags Read To Succeed

The deadline for Read to Succeed has been extended. Reading logs must be submitted by 4/14/2020. Happy Reading!!!
